 - ❖ Take large items to your council run tip. Find out about opening times on line.
 - ❖ Consider hiring a skip. They can be value for money and you don't need a permit if its on your own property.
 - ❖ Leicester city council can dispose of your large waste items as part of the bulky waste collection service.
 - ❖ You can subscribe to a garden waste collection for an annual fee.

 - If you run a business from home you will still need to dispose of your waste correctly – you should not use your home waste collection.
 - Provide a written description of your waste to the company collection your waste
 - Keep signed copies of transfer notes for 2 years.
