

# Fosse Community Meeting

**DATE:** Thursday, 21 February 2019

**TIME:** 6:00 pm

**PLACE:** Fosse Library, Mantle Road,  
Leicester LE3 5HG

## Ward Councillors

Councillor Dawn Alfonso

Councillor Ted Cassidy MBE

**YOUR community. YOUR voice.**

## Conduct Guidance

The behaviour of people at ward community meetings is important to the success of the meeting. Everyone attending today's meeting is kindly asked to comply with the following arrangements:

- Respect the views of others
- Keep to the Agenda
- One person speaks at a time
- Keep disruption to the minimum (mobile phones on silent) and no side discussions

If anyone does not comply with the guidance, they may be warned that they may be asked to leave the meeting.

## Making Meetings Accessible to All

**Access** – Meetings are held in a variety of community venues. We will only hold meetings in venues where there is suitable access for wheelchairs. If you have any concerns about accessing a venue by wheelchair, please contact the Democratic Support Officer on the number given below. If you feel you may not be able to hear what's being discussed at a meeting please contact the Democratic Support Officer on the number below.

### **Braille / Audio tape / Translation**

If you require this please contact the Democratic Support Officer (production times will depend upon equipment/facility availability).

**Social Media** - The Council is committed to transparency and supports efforts to record and share reports of proceedings of public meetings through a variety of means, including social media. If you wish to film proceedings at a meeting please let us know as far in advance as you can so that it can be considered by the Chair of the meeting who has the responsibility to ensure that the key principles set out below are adhered to at the meeting.

Key Principles. In recording or reporting on proceedings you are asked:

- ✓ to respect the right of others to view and hear debates without interruption;
- ✓ to ensure that the sound on any device is fully muted;
- ✓ where filming, to only focus on those people actively participating in the meeting;
- ✓ where filming, to (via the Chair of the meeting) ensure that those present are aware that they may be filmed and respect any requests to not be filmed

## **1. INTRODUCTIONS & APOLOGIES FOR ABSENCE**

The Chair will introduce those present and make any necessary announcements.

The Chair and any other Councillors who are present will make any declarations as required by the Councillors' Code of Conduct.

## **2. ACTION LOG**

**Appendix A**

The Action Log of the previous meeting held 22 November 2018 is attached for information and discussion.

## **3. HINCKLEY ROAD RECOVERY UPDATE**

There will be an update on the progress of the recovery plan following the incident at Hinckley Road in February 2018.

## **4. WATERSIDE PRIMARY UPDATE**

There will be an update on progress concerning Waterside Primary.

## **5. HIGHWAYS ISSUES- INCLUDING FIVE WAYS PROJECT**

Highways officers will give an update on highways issues in the Ward, including progress on the Five Ways project.

## **6. POLICE ISSUES UPDATE**

Officers from Leicestershire Police will be at the meeting to provide an update on police issues in the Ward.

## **7. CITY WARDEN**

The City Warden will give an update on issues in the Ward.

## **8. WARD COMMUNITY BUDGET**

There will be an update on the Ward Community Budget.

**Councillors are reminded that under the Council's Code of Conduct they should declare any interest they may have in budget applications**

## 9. ANY OTHER BUSINESS

### **Help us to make improvements!**

Please help us to improve Community Meetings by filling in an **Evaluation sheet** to let us know what you thought of the meeting. Thank you.

### **For further information, please contact**

## FOSSE COMMUNITY MEETING

THURSDAY, 22 NOVEMBER 2018

Held at: Woodgate Resource Centre, 36 Woodgate, Leicester LE3 5GE

### ACTION LOG

Councillors Present:

Councillor Alfonso (Chair)

Councillor Cassidy

<b><u>NO.</u></b>	<b><u>ITEM</u></b>	<b><u>ACTION REQUESTED AT MEETING</u></b>
12.	<b>INTRODUCTIONS &amp; APOLOGIES FOR ABSENCE</b>	<p>Councillor Alfonso as Chair welcomed everyone to the meeting and introductions were given.</p> <p>An apology for absence was received from Chris Nutting. It was also noted that no officers were present to provide an update on the new school and therefore any questions that could not be answered would be forwarded to them for a response.</p>
13.	<b>ACTION LOG</b>	<p>The Action Log of the previous meeting held on 12 July 2018 was submitted and noted.</p>
14.	<b>HINCKLEY ROAD RECOVERY UPDATE</b>	<p>Attendees were asked to note an update from Councillor Cassidy on the situation following the explosion at Hinckley Road in February 2018. Points made included the following:</p> <ul style="list-style-type: none"><li>• The Community Recovery Committee had been working to reassure the community and were trying to open up the shops and get the road back into proper use.</li><li>• The team work between the Police, Fire and Rescue, Ambulance, Red Cross and the Council had been excellent.</li><li>• The Committee and schools, particularly English Martyrs had been helping to provide counselling for students.</li><li>• The young people had chosen a place near to the site, where there they could put candles and flowers in memory of the young girl who had been killed.</li></ul> <p>Comments and queries from attendees included the following:</p> <ul style="list-style-type: none"><li>• Disappointment was expressed that planning</li></ul>

		<p>permission had been granted to demolish some beautiful buildings. Comments were made that Leicester had suffered from the demolition of historical buildings and regret was expressed that such buildings were not being retained. Councillor Cassidy responded that the decision to demolish must have been an officer decision and officers were often very limited as to what they could do. Residents were advised that they could submit views or objections on planning applications. Where there were more than five objections, the application would be brought to committee for Members to determine.</p> <ul style="list-style-type: none"> <li>• Concerns were raised that demolished buildings would end up as an eyesore due to the time it took to clear the site.</li> <li>• An attendee reported that squatters had taken residence in a building due for demolition. Councillor Cassidy responded that the Council had taken action as soon as the issue of squatters had been reported.</li> </ul> <p>Councillors drew the discussion to a close and explained that as the court case was ongoing, the Council were limited as to what they could do, but they were trying to show that the local shops there were open for business.</p>
15.	<b>HIGHWAYS - FIVE WAYS PROJECT UPDATE</b>	<p>Attendees were asked to note an update on Highways issues from Robert Bateman (Special Projects Manager, Highways).</p> <ul style="list-style-type: none"> <li>• The Five Ways junction was a particularly complicated part of the Leicester North West project. The engineers were working to find a satisfactory conclusion and no decision would be made yet, but the funding was there for the work to be done.</li> <li>• In relation to Rally Park, David Beale, Senior Project Manager, City Council Development Team said that he believed that any future link road through the park would commence with a public consultation. Such proposals would often be put forward for consultation through a future revision of the Leicester Local Plan although David did not know whether the next revision of the local plan would propose a link road, or not.</li> </ul>

		<ul style="list-style-type: none"><li>• Councillor Cassidy stated that the Link Road had been included in the original document and people would have an opportunity to submit views and comments on this if it was included in the draft plan.</li><li>• Work on Ravensbridge Drive was underway; the disruption was acknowledged but it was very much hoped that the benefits would outweigh the current disruption.</li><li>• The intention was that when the highway improvements including the Five Ways junction was completed, motorists would use the A6 and Woodgate could be declassified.</li><li>• Concerns were raised about the volume of in-bound traffic from the county which was expected to get worse with the Christmas season approaching. David responded that this would improve once the work was completed as it would be more convenient for motorists to turn left at the Five Ways junction.</li><li>• In response to a question, the meeting heard that traffic signal timings would make Ravensbridge Drive a more attractive option and the Sat Nav devices picked up faster routes.</li><li>• An attendee commented that the timing of the traffic lights at the junction by Abbey Park was wrong as the lights were timed to let traffic through, but that traffic had been diverted. This was resulting in unnecessary delays. <b>Action:</b> Robert Bateman to report the issue to the relevant Highways officers.</li><li>• Robert stated that officers in Highways were looking at the parking situation on Tudor Road. Two-way traffic was difficult because vehicles parked on both sides of the road. Councillors commented that there may be another survey regarding a residents' parking scheme. A previous survey had been carried out but at the time, residents had indicated that they did not want the scheme.</li><li>• Concerns were expressed about speeding on</li></ul>
--	--	--

		<p>Brading Road. Councillors explained that they had been asking for three years for action to be taken and they reiterated a request for the Police to install a speed camera there. The Police Officer responded that they would look at Brading Road, it may not be possible to put up a speed camera, but a speed gun or traffic van might be used. <b>Action:</b> the Police and also for Robert Bateman to forward the concern to the relevant officer in Highway Development Control and Road Safety.</p>
<p><b>16.</b></p>	<p><b>POLICE ISSUES UPDATE</b></p>	<p>Attendees were asked to note the update of local policing issues. In particular, the Police had been working to reduce anti-social behaviour and on issues relating to drug misuse.</p> <p>An attendee referred to a fatal accident where a pedestrian at the bus stop on Woodgate had been killed by a motorist. The Police Officer said that she could not give any details about the case other than to say that one person had been arrested on the night of the accident.</p> <p>Concern was expressed that there was a strong smell of marijuana near certain properties on Bonchurch Street. An attendee stated that she had reported the issue to the Police and she questioned whether any action was being taken. The Police officer asked for specific details and said that the Police needed as much information as possible in order for them to proceed. Attendees were reminded that crimes could be reported through Crime Stoppers on 0800 555 111.</p> <p>In relation to the demolished buildings on Hinckley Road, a request was made for CCTV cameras to be installed on the corner properties, but the meeting heard that there were limitations as to where cameras could be installed; the Police could however carry out target hardening.</p> <p>It was reported that the back windows of the old public house on Tudor Road had been broken. The Police Officer confirmed that they would investigate to make sure the building was secure.</p> <p>Councillors suggested that the Police looked at an information sharing scheme on Gimson Road; this road affected two wards and a Whats App group had been set up so that both wards could communicate</p>

		with each other. The scheme operated in a similar way to Neighbourhood Watch.
17.	<b>WATERSIDE DEVELOPMENT UPDATE</b>	<p>Attendees were asked to note an update from David Beale on the Waterside Development. A map was displayed, and David pointed out areas of the map to show how the development was progressing.</p> <p>David was asked what would happen to the businesses in the Arches and he responded that as the Arches were owned by Charles Street Buildings (CSB) he could not be sure, but he suggested that as the character of the wider area continued to change, CSB might consider different types of occupiers.</p> <p>In response to a question about affordable housing, David said that the new build proposals on the Council owned sites would meet the affordable housing guidelines.</p> <p>Concerns were raised that the old Premier Screw site on Storey Street was an eyesore and had been so for several years. David responded that they had been trying very hard to encourage others to bring that site back into use, but the discussions with the owner had so far been unsuccessful.</p> <p>Concerns were raised relating to flooding and whether the new build would exacerbate the risk and make home insurance more expensive. David explained that the Environment Agency were trying to reduce the risk of flooding by putting in flood defences. The intention was to implement these by 2021. Councillors asked for an appropriate officer to come to a future Fosse Community Meeting to talk to attendees about the issue, as flooding was a concern. <b>Action:</b> Community Engagement Officer.</p>
18.	<b>NEW SCHOOL UPDATE</b>	<p>Attendees were asked to note an update from Councillor Cassidy on the new school.</p> <p>Councillor Cassidy explained that the investigations on site was limited to around 50% of the site, due to the identification of protected species at the top of the site, namely the presence of badgers and nesting birds. The ground investigation at the lower part of the site which was accessible at the time of the survey showed some areas of isolated contamination, however this was determined to not be extensive. The badger sets were closed in November 2017, and when that part of the site was investigated it became obvious that there was extensive contamination on</p>

		<p>the site.</p> <p>Comments were made that the school would not be ready to open in 2019 and it was questioned whether the school could be made smaller with a yearly intake of 120 pupils instead of 180. Councillor Cassidy said that the City Mayor and Executive were looking at different options and Councillors would update residents further when they knew what was happening.</p>
<b>19.</b>	<b>CITY WARDEN</b>	<p>Attendees were asked to note an update from Charlotte Glover, the City Warden for Fosse, Abbey and Beaumont Leys wards. An information sheet was circulated which gave details of the issues she had been dealing with. This is attached to the back of the action log.</p> <p>It was noted that the City Warden was carrying out some education work and this initiative was commended.</p> <p>Concerns were raised that the orange bags for recycling were being misused. It was questioned whether the refuse collectors still put notices through doors when they found an orange bag they could not collect because it contained contaminated waste.</p> <p>An attendee expressed concerns regarding abandoned Tesco trolleys and he questioned whether Tesco could be asked to be more pro-active in collecting abandoned trolleys.</p>
<b>20.</b>	<b>WARD COMMUNITY BUDGET</b>	<p>Attendees were asked to note an update on the Fosse Community Meeting budget and heard that twelve funding applications had been received since the previous meeting; eight of which had been approved totalling £10182.</p> <p>A balance of £4881.80 remained in the Fosse Community Meeting budget which could not be carried forward to the new financial year. Further funding bids were welcome but would need to be submitted by the end of February 2019.</p> <p>An attendee asked for details of the bids that had been approved and the Community Engagement Officer explained that details of the bids would be published on the Council's website at the end of the financial year. Concerns were raised that not everyone had access to a computer.</p>

		<p>At attendee commented that a grit bin was needed near to the City Wide Cars business. She had asked for this twice before, but nothing had happened. It was noted that a funding application would be needed in order to pay for the grit bin. <b>Action:</b> Community Engagement Officer to investigate.</p> <p>Councillors commented that recipients of community meeting funding had previously been invited to the meeting to provide feedback on their projects and it was suggested that a representative of the Woodgate Resource Centre and the Woodgate Adventure Playground be invited to provide updates at the next meeting. <b>Action:</b> Community Engagement Officer.</p>
21.	<b>CLOSE OF MEETING</b>	The meeting closed at 8.03 pm

# Minute Item 19

## ADVICE FOR RESIDENTS

Householders are legally responsible for all household waste produced on their property. Most household waste can be disposed of in your bags or wheeled bin.

If you need to dispose of large items such as sofas, fridges there are several ways to do this legally .

- ❖ Take large items to your council run tip . Find out about opening times on line.
- ❖ Consider hiring a skip .They can be value for money and you don't need a permit if its on your own property.
- ❖ Leicester city council can dispose of your large waste items as part of the bulky waste collection service .
- ❖ You can subscribe to a garden waste collection for an annual fee.

Find out more at  
[www.lesswaste.org.uk](http://www.lesswaste.org.uk)

## Advice for businesses

- Under the Environmental Protection Act, every business has a duty of care when it comes to dispose of it's waste. If you are not meeting your legal responsibilities it could result in a fine or imprisonment.

### Here are a few tips

- It is a legal requirement for businesses to use a licensed waste carrier to remove their waste –check they are registered.
- If you run a business from home you will still need to dispose of your waste correctly - you should not use you home waste collection.
- Provide a written description of your waste to the company collection your waste
- Keep signed copies of transfer notes for 2 years .
- Take action if you think your waste is being mishandled by those who remove it you could be fined if your waste is fly tipped.

Find out more by visiting  
[www.rightwasterightplace.com](http://www.rightwasterightplace.com)

## **UP DATES**

A new gate was fitted on Carlisle street to help prevent ASB issues and fly tipping in the alley .

With a large number of side waste and fly tipping reported the city wardens will be doing a project for the Fosse ward to reduce the amount of side waste and fly tipping being left on the street this will include leaflets in different languages and other educational material .

Bin day for the Fosse Ward is either Thursday or Friday.

If you bin is broken or you don't have orange bags please contact our waste management team

[Leicester.gov.uk/recycling](https://leicester.gov.uk/recycling) you can also book a bulky collection

# CITY WARDEN SERVICES

LOVE WHERE YOU LIVE

## **Fly Posters**

7 Fixed Penalty notices have been issued for fly posting in the ward and another 2 companies are being prosecuted for the offence .

## **Bins on street project**

I have been working on reducing the amount of wheelie bins being left out on the pathway out side of collection times .Tudor Road residents who left their bins out were all served notices and those who continued to leave the bins out have been issued with a fixed penalty notice , some properties have still have their bins out and I am working towards getting these removed .

The Next roads I will be working on is Vernon street and Vaughan street.

## **Private Gardens/yards**

This garden was a great concern and notices were served on the land owner to get the garden cleared

# CITY WARDEN SERVICES
