

Leicester City Council

PLAN OF KEY DECISIONS

On or after 1 January 2024

What is the plan of key decisions?

As required by legal regulations the Council publishes a document to show certain types of decision known as 'key decisions' that are intended to be taken by the Council's Executive (City Mayor, Deputy City Mayor and Assistant City Mayors). The legislation requires that this document is published 28 days before a decision contained in the document can be taken. This document by no means covers all the decisions which the Executive will be taking in the near future.

Details of the other decisions, the City Mayor and the Executive also take can be found at www.cabinet.leicester.gov.uk/mgdelegateddecisions.aspx?bcr=1

What is a key decision?

A key decision is an executive decision which is likely:

- to result in the Council incurring expenditure which is, or the making of savings which are, significant having regard to the Council's budget for the service or function to which the decision relates; or
- to be significant in terms of its effects on communities living or working in two or more wards in the City.

Full details of the definition can be viewed at <https://www.leicester.gov.uk/your-council/how-we-work/plan-of-key-decisions/>

What information is included in the plan?

The plan identifies how, when and who will take each key decision, who to contact for more information or to make representations, and in addition where applicable, who will be consulted before the decision is taken.

The plan is published on the Council's website.

Prior to the taking of each executive key decision, please note that the relevant decision notice and accompanying report will be published on the Council's website and can be found at <http://www.cabinet.leicester.gov.uk/mgdelegateddecisions.aspx?bcr=1>
