Fly-tipping is a crime

If you give your waste to someone make sure they have a licence. It is your legal responsibility to make sure they dispose of it correctly.

You could face prosecution and a fine of up to £5,000 if your waste ends up being fly-tipped.

Fly-tipping causes a lot of problems. It:

- Costs tax payers and landowners to clear it up.
- Threatens humans and wildlife and damages our environment.
- Spoils our enjoyment of our towns and countryside.

Suspect - if in doubt don't let anyone take your waste, you could be fined if it's fly-tipped.

Check for their waste carrier registration number and note down the number plate of the vehicle.

Refuse cold callers – always carry out your own research.

Ask questions about what is going to happen to your waste.

Paperwork - make sure you get a receipt.
