LOVE WHERE YOU LIVE

Love where you live

As a Leicester City resident there are plenty of things you can do to help keep your neighbourhood clean and tidy:

- **Bring your bin in after collection day**
- **Book a Bulky Waste Collection if you need to get rid of large items**
- **Use a bin - don't drop litter**
- **Clear up after your dog**
- **Look after your home and garden**
- **Report problems like littering, fly tipping and graffiti**
- **Join in with local community clean-up events**

For more information contact the City Wardens on 0116 454 1001 or email city.warden@leicester.gov.uk

Fly-tipping is a crime

If you give your waste to someone make sure they have a licence. It is your legal responsibility to make sure they dispose of it correctly.

You could face prosecution and a fine of up to £5,000 if your waste ends up being fly-tipped.

Fly-tipping causes a lot of problems. It:

- Costs tax payers and landowners to clear it up.
- Threatens humans and wildlife and damages our environment.
- Spoils our enjoyment of our towns and countryside.

Suspect - if in doubt don't let anyone take your waste, you could be fined if it's fly-tipped.

Check for their waste carrier registration number and note down the number plate of the vehicle.

Refuse cold callers – always carry out your own research.

Ask questions about what is going to happen to your waste.

Paperwork - make sure you get a receipt.

CITY WARDEN SERVICE UPDATE

Bins On Streets

We have seen a vast reduction of wheelie bins out after bin collection day in the St Andrews area of the ward and have now expanded this project to include, Brazil Street, Burnmoor Street, Filbert Street, Filbert Street East and Hazel Street. With these new streets, we have already seen an improvement with the reduction of these wheelie bins.

Over 13 streets have been looked at and around 71 properties were issued Fixed Penalty Notices in the Saffron area since the start of the project at the end of last year.

Please help to keep our streets clean, and ensure your bin is removed from the public highway after collection and not left on the street.

FLY TIPPING

There has been an increase in fly tipped waste across the ward and we have issued fines and clean up cost to those responsible. We are working hard to educate residents in how they should dispose of their waste legally.

Information of the Recycling centres and Bulky waste collections can be found at <https://www.leicester.gov.uk/your-environment/recycling-and-waste/> or call us on 0116 454 1002.

If you have any issues that you would like to report then please speak to the City Wardens or contact the service via www.Leicester.gov.uk/myaccount
