School Run Parking

- LCC Officers recently visited Scraftoft Valley school and also met a resident from New Romney Crescent regarding various SRP proposals. The resident would like the Council to implement a wide range of measures and they were advised that the Council may be able to implement some, but not all of those proposals, DYLS, SYLS, laybys, knee rail, bollards etc. Noted that Cllr Singh Sandhu had been involved in this piece of work

Humberstone Village Scheme

- In August 2020 - April 2021 a zebra crossing was installed outside the school on a raised platform. Speed cushions were also installed on Steins Lane and Main Street close to the shops and on the one-way section.
- As part of those works the layout of the junctions at Vicarage Lane with Main Street and Stanley Drive with Tennis Court Drive were altered and the junction of Main Street with Humberstone Drive narrowed to one lane to reduce the number of one-way contraventions and provide a contra flow cycle lane.
