Application No. (If known):**Please tick one or more of the licensing objectives that your representation relates to:**

Prevention of Crime and Disorder, Public Safety, Prevention of Public Nuisance, Protection of Children From Harm

Please summarise your concerns about this application: Having worked in the primary school opposite there has been clear evidence of street drinking and drug use and dealing locally, By

allowing 24 access to alcohol it will encourage increased anti social behaviour.
The store is used by children and families who do not need to be exposed to this.
There are supermarkets within a short walk who supply alcohol. It is not a needed outlet.
Encouraging the sale of alcohol to motorists is not appropriate.
Underage drinkers creating a nuisance to staff and potential harm to property and staff is a concern.
Staff who feel that their job is exposing them to more risk will be forced to leave and therefore put their own and family finances at risk.

Please give further details of WHY you believe this application will have an adverse effect on the licensing objectives : 24 hour access to alcohol is likely to encourage vulnerable people with alcohol issues to gravitate towards this location. Drivers with drug and alcohol issues will be enabled to put others at risk. Local families and residents will be subject to increased public nuisance incidents.

Staff are concerned about the licensing of alcohol attracting under age drinkers. Staff are therefore vulnerable to attack and verbal abuse.

Its close proximity to a primary school and young families within the community has the potential to expose children to vulnerable adults with drink issues.

It' will fail to reduce the existing issues around drugs and drink and add another outlet for substance abuse.

Are there any changes that could be made to the application that would reduce or remove your concerns?: Yes

Please explain what changes you think would help: If the licensing hours were in line with the local supermarkets.

If appropriate, would you be willing to take part in mediation to try to reach an agreed outcome?: No
