Appendix 1

There have been 24 incidents of fly tip reported and identified by the council during routine patrols in the area.

Community protection Notices served for untidy land and deposits being left on the public highway.

Hopefield Road/ Narborough Road untidy land clear and commercial bins removed.

Fly Posters removed off street furniture (particularly displaying blinds and driveways) investigation ongoing.

At this moment unfortunately we haven't got a dedicated City Warden for Braunstone, however we are actively trying to get this matter resolved.

Please bring any issues you are facing to the Council's attention by using the "Love Clean Streets app – Love Leicester". The app is easy to use, and you can report litter, fly-tipping, dog fouling or any other environmental problem. The advantage is that you can take a picture of the problem and upload it, tagging the location and including other details so the appropriate team can fix the issue quickly. More information about the app is available here: [Love Clean Streets \(leicester.gov.uk\)](https://www.leicester.gov.uk/love-clean-streets).
