4. Representations

- 4.1 A representation was received on 03 April 2025 from the Police The representation relates to (the prevention of crime and disorder, the prevention of public nuisance, public safety and the protection of children from harm. The representee is concerned that revellers already under the influence of alcohol will attend the venue in the early hours of the morning to source more alcohol in an area that already faces challenges in relation to crime and disorder and anti-social behaviour. A copy of the representation is attached at Appendix C1.
- 4.2 A representation was received on 09 April 2025 from the Noise team The representation relates to the prevention of public nuisance. The representee is concerned that allowing the premises to operate such long hours will increase the likelihood of noise complaints and cause disturbance to residents by customers visiting the premises throughout the night and particularly into the early hours of the morning. The Noise team have now reached agreement with the applicant to add conditions to the licence if granted A copy of the representation/agreement is attached at Appendix C2.

- 4.3 A representation was received on 15 April 2025 from the Licensing Enforcement team. The representation relates to the prevention of crime and disorder, the prevention of public nuisance and public safety. The representee has concerns about the premises and the effects the extended hours may have on the local community, both business and residential. Conditions have been proposed to be added to the licence, if granted. A copy of the representation/proposed conditions are attached at Appendix C3.

5. Conditions

- 5.1 The conditions that are consistent with the application, representation from the Noise Team and proposed conditions from the Licensing Enforcement team are attached at Appendix D.
- 5.2 The Live Music Act 2012 and the Legislative Reform (Entertainment Licensing) Order 2014 amended the Licensing Act 2003 in relation to the provision of regulated entertainment. Certain entertainment does not require a licence subject to audience limits, between 08.00 and 23.00 hours each day. These exemptions may affect the application under consideration because conditions may not be imposed at this stage to control live or recorded music that is unregulated. However, if problems do occur as a result of that entertainment then conditions may be imposed to control such music in the future after a formal review.
