

CITY WARDEN UPDATE

FLY TIPPING

Warnings have been issued to various properties in response to fly-tips found throughout the ward. There is a camera currently installed on Nottingham Road in response to the constant fly-tipping at this location. Visits have also been conducted by CRASBU, Waste Management and City Wardens in an attempt to resolve the issue. Work is still ongoing.

CHARNWOOD WALK

A sign has now been installed on Charnwood Walk in response to the regular bird feeding at a specific location. The sign is in the exact spot the bird feeding takes place and we hope this will cause the activity to stop. Several large bushes have also been cut down and the litter is scheduled to be collected.

PRIVATE LAND

Information and warnings have been sent to properties in regards to blocked alleyways and untidy gardens. Notices have been served on properties where the condition of the land, or the nature and amount of waste is considered to be a hazard.

Contact has been made with the owners of a small piece of land under the railway bridge on Humberstone Road. This site is scheduled to be cleared by the end of the week.

GENERAL PATROLS

Several littering FPNs have been issued during patrols in the ward.

NORTH EVINGTON WARD

CITY WARDENS WORKING WITH YOU TO IMPROVE THE CITY'S ENVIRONMENT

LOVE WHERE YOU LIVE

Love where you live

As a Leicester City resident there are plenty of things you can do to help keep your neighbourhood clean and tidy:

- **Bring your bin in after collection day**
- **Book a Bulky Waste Collection if you need to get rid of large items**
- **Use a bin - don't drop litter**
- **Clear up after your dog**
- **Look after your home and garden**
- **Report problems like littering, fly tipping and graffiti**
- **Join in with local community clean-up events**

For more information contact the City Wardens on 0116 454 1001 or email city.warden@leicester.gov.uk

LOVE OUR APP

With our new app you'll be able to let us know about any environmental problems and also access a wealth of council information from your smartphone or tablet.

How does it work?

1.Download it - Our free app is available for Android, Windows, Blackberry and iPhones. Simply visit your app store and search for Love Leicester.

2.Spot it - Whether it's graffiti, litter, fly-tipping, dog fouling or another environmental problem, you can let us know about it.

3.Report it - Take a picture of the problem and upload it using the app. You can tag the location and include other details so we can fix the issue quickly.

4.Fix it - When you submit your report the details and picture will be sent to the right team who can fix the problem. They'll also be able to post a picture of what they've done.

As well as reporting problems, you can tell us what you like about Leicester. You can also find event listings, details of your nearest leisure centre, current consultations and easily get to our mobile friendly website for information on all council services.

The app is part of the Love Clean Streets network which is used by many councils. This means you can use it anywhere to report problems in other cities as well as Leicester, and the app will route your report to the right council.

It replaces the old One Clean Leicester app so if you already have this on your phone you'll need to uninstall it and download our new Love Leicester app.
