It was noted that:</p> <ul style="list-style-type: none"> • The Local Plan covered the period from 2020-2036 and sought to meet the housing and employment need for the city. • There were no proposed development sites in Stoneygate ward, but some sites proposed were near to the ward boundary, as follows: <ul style="list-style-type: none"> ○ A large housing development at the site of Leicester General Hospital. ○ Two sites for office use near to the train station and Curve. ○ Housing at Linden Street and the former Dunlop Works building. • Several other smaller sites were noted. • Public consultation for the Plan closed on 7 December. <p>.</p> <p>Residents asked if the Government White Paper on Planning would force the Local Plan to change. Councillor Master noted that he had asked for consultation on the UHL Reconfiguration to be sent to Stoneygate residents.</p> <p>Residents asked if social housing would be provided at the General Hospital site. Grant Butterworth reported that a certain amount of affordable housing was required but that the Government definition of affordable housing had changed.</p> <p>Residents asked if the proposed housing developments would have provisions for allotment space. Grant Butterworth reported that there was evidence on the Local Plan website about the supply of allotments.</p> <p>Residents asked what provisions there were in the Local Plan regarding climate change. Grant Butterworth reported that the Government had not made it clear to what extent Councils could set their own local energy policies and that the Council would go as far as the Government allowed them to.</p>
