

EYRES MONSELL COMMUNITY MEETING

TUESDAY, 27 SEPTEMBER 2022

Held at: Eyres Monsell Community Centre, 268 Hillsborough Road. Leicester,
LE2 9PQ

ACTION LOG

Present: Councillor Pantling (Chair)
Councillor Pickering

<u>NO.</u>	<u>ITEM</u>	<u>ACTION REQUESTED AT MEETING</u>
44.	INTRODUCTIONS, APOLOGIES AND DECLARATIONS OF INTEREST	<p>Councillor Pantling, Chair for the meeting introduced those present at what was the first meeting since before the pandemic.</p> <p>There were no declarations of interest made.</p>
45.	WARD COUNCILLOR'S FEEDBACK AND UPDATES	<ul style="list-style-type: none">• Councillor Pantling reported on past events, pre-pandemic noting that Christmas events had been well received. At residents' request, Councillors would check that posters for the events were being placed around the estate.• It was noted that the Christmas Fair 2021 was a well attended evening. Ward Community funding had ensured that children had received chocolates and a teddy.• Councillor Pickering noted the Council would be launching a campaign about staying safe during the darker months. The CEO would circulate information to the EMCC and EMCYP (boys club).• Volunteer awards would be organised for a date in March 2023. Nominations were requested. Councillor Pickering was also looking to develop a Young Persons award and hoped to engage more young volunteers.• A litter pick had taken place with another planned for October 2022. Lots of bags of rubbish had been collected.• There had been many Jubilee events across the ward, including events at Pork Pie and EMCC. It was noted that the park would be a good place to

		<p>hold an event, which would be looked into for Summer 2023.</p> <ul style="list-style-type: none"> • For Christmas 2022, a quote was awaited for the Lighting of the Tree event on 2 December 2022. Included would be a winter wonderland in the garden, with grotto, and hopefully mulled wine and mince pies. • Saturday 10 December 2022 was Christmas Fair day, with Santa and stalls, with local groups having tables. • A community Christmas Party was set in EMCC for 14 December 2022, 12.30 – 3.00pm, with party food and entertainment. Ideas for the party to be forwarded to the Ward Councillors. • A ‘Soup for the Soul’ event would be arranged, to be accompanied by suggested recipes that residents could try out at home. • A project was being looked into for unemployed people to help them gain their Health and Safety, and Food Hygiene Certificates to help them get back into work. • Being discussed was EMCC becoming a Warm Bank. • Residents suggested the local newsletter be brought back (subject to funding) to provide relevant information to Eyres Monsell residents on events, activities and learning. Sue Green to liaise with Louise Wylie / Tracey Inchley to discuss circulation.
46.	LOCAL PLAN DEVELOPMENTS	<ul style="list-style-type: none"> • The Chair thanked people behind the driving force to get Featherstone Drive open space removed from the Local Plan as a site for development. Next steps would be to look at how best to protect the site because of the biodiversity that situated on what was a well-used site. • There would be further consultation over a six-week period on amendments to the plan, which would then be sent to central government. It was believed to be a good plan and residents were thanked for their input and support.

		<ul style="list-style-type: none"> • There were three other sites noted in Eyres Monsell: <ul style="list-style-type: none"> ○ Exchange – 15 houses ○ Spendlow Gardens (part of the green) – 9 houses ○ Southfields Newry – 53 houses • Ward Councillors had taken paper copies of the previous consultation to Spendlow Gardens, and no objections were raised. • Southfields Newry was due commence March 2023 and would be social housing with a mixture of flats, 1-2 bed houses, and some bungalows. Great consultation had been undertaken with the people in that area. • The Council was looking to county to take on some of the quota of housing. <p>ACTION: The Local Plan to be placed on the next meeting agenda.</p>
47.	COVID - "HOW WE MANAGED"	<p>The Chair led on thanks given to Dee at Goldhill for the provision of food and advice given to people. Thanks were also given to Louise and her team at EMCYP, and to Tracey for the work they did in providing space for Covid testing.</p> <p>Tracey reported that her staff had been present at Aylestone Leisure Centre and had also visited houses to hand out test kits. EMCC was also run as a testing station which had been crucial during the pandemic to get people tested. The centre had then become a vaccination centre with local staff, delivering vaccines to many people which had in turn saved a lot of lives.</p> <p>Local volunteers had also shopped for local residents.</p>
48.	EYRES MONSELL - COMMUNITY ACTION AND DEVELOPMENTS	<p>Steven Deadman (Hospital Schools, Willowbank Hospital School, Magpie Learning Centre) provided the following information:</p> <ul style="list-style-type: none"> • The in-patient team provided bedside education. • There is an outpatient Willowbank for children who lived at home but were too ill to go to school, mainly to do with mental health, diabetes, and chronic fatigue. • Willowbank was getting busier and busier with increased referrals from Leicestershire and Rutland. There were around 80 children on the

role pre-Covid, but had since run out of space. ran out of space, children needed one-to-one.

- Willowbank has since been expanded with a couple of classrooms.
- Space was looked for in the area, and the Magpie was taken over with support from Councillors. The Council agreed to fund the refurbishment inside which is now bright and airy.
- Children were moved from Willowbank to Magpie, and the school could not take primary age children, supporting them through to get them back into school.
- The school had some of the garden area, and with being central in the community, were keen to help with litter picking, food organising, printing of newsletters / information and were keen to have a stall at the Christmas fair.

Councillors said that mental health issues would continue to grow, and that the area was lucky to have the Willowbank Hospital School in the area.

ACTION: Residents suggested that it was a good news story and should be considered for the first newsletter.

A resident reported issues with stoma after care when discharged from hospital, and the inability to receive support and information.

ACTIONS: Councillors to raise the issue with the GP surgery to see if they had capacity to assist in teaching stoma care to patients. The CEO would include the information on the newsletter.

Excess crops from the garden could be used in the 'Soup for the Soul' kitchen.

Tracey Inchley, Service Delivery Manager, asked if the fence between EMCC and Magpie Centre could be moved so that only the school's staff could have access to the parking. It was noted there was an issue with travellers trying to access the site.

ACTION: A request would be made to Estates and Building Services.

Steven Deadman informed the meeting he had already made enquiries for funding for the next financial year and was happy to contribute to funding.

Louise Wylie, Centre Manager at EMCYP (also

		<p>known as boys club), informed the meeting that predominantly it was youth provision but since Covid the centre had taken a community approach. During Covid, a foodbank had been set up with staff volunteering to deliver food from Fare Share, at one point up to 100 bags a week. With ward funding the centre was able to buy a shipping container to develop into a pantry. Membership for the pantry scheme which was open four times a week was 3 months at a time, and enabled members to purchase goods for approximately half the retail price. The centre also received deliveries once a week from Samworth fresh food. Fare Share also provided household and personal goods. The scheme was open to anybody, and people came from further afield than Eyres Monsell.</p> <p>The food parcel scheme still operated once a week on a Monday, and cost £2.50 per bag. Applicants could apply online, but people in Eyres Monsell had priority. There were few deliveries now as on the whole people collected the bags themselves. Referrals were also made to social services and schools for people who were struggling financially.</p> <p>A Health Hub had been built at back of centre and would be opened by Rendell Munroe the following Saturday. People were welcome to attend the opening. Gym membership was an affordable £12 per month for local residents, opening in October. Being run were wellbeing classes, limited mobility, men / women only classes, and classes covering mental health illness, for which there had been a noticeable jump in the population. It was hoped the new health hub would become a pinnacle of health and wellness for the area.</p> <p>Councillor reported that they had campaigned really hard for the post office to be reinstated to where it originally was for the people in the area. The campaign had been supported by the City Mayor who had lifted a lot of roadblocks that the development was facing, and had provided more building space for the surgery. The long-term plan was to develop a medical hub.</p> <p>ACTION: An invitation would be sent to the pharmacy and GP to attend the next meeting at EMCC. A resident asked that opening times be placed on the GP surgery door</p>
--	--	--

		<p>A discussion took place regarding the bus stop blocking access to the car park. Councillors reported they were trying to get the bus company to move the bus stop which would then allow the kerb to be lowered to open up the car park. Councillors had contacted the bus companies and had spoken to the Deputy City Mayor for Transport.</p>
<p>49.</p>	<p>LOCAL POLICING UPDATE</p>	<p>There were no police present at the meeting. The feeling from residents was the lack of presence at the meeting was a reflection of the lack of support people felt they were receiving from the police.</p> <p>Councillors reported they did meet with the police and had asked them to do a walkabout, and that whenever they received queries from residents, they were always reported back to the police with a request for extra patrols.</p> <p>ACTION: In response to residents' request, Councillors would send a letter of complaint to the Office of the Police and Crime Commissioner.</p> <p>The police had sent a statement through which informed the meeting of the following:</p> <ul style="list-style-type: none"> • Due to incidences in east of city, most police had been extracted to cover that area. • A bike operation had been undertaken during the summer, that had brought a few new people to the attention of the police. Bikes had been taken away and had drastically reduced in the area. • There was a still a drug presence in the area. • A pod camera had been placed on the Exchange to act as a deterrent against anti-social behaviour, and had provided evidence to charge offenders. • Residents were informed that the more reports they received from residents, then the more evidence there was to have police in the area. Reports could be made on Telephone Number 101. <p>Residents were feeling frustrated at the last of response from reported issues.</p> <p>It was suggested that the police use the office at EMCC, and hold surgeries at the centre.</p> <p>Councillors reported that they also held surgeries three times a month where people could drop in:</p>

		<ul style="list-style-type: none"> • Pork Pie Library and Community Centre – third Friday of each month, 10.30 – 11.30am • Eyres Monsell Community Centre – second Monday of each month 9.30 – 10.30am, and fourth Tuesday of each month 6.00 – 7.00pm
50.	CITY WARDEN UPDATE	<p>Noel Cazley, City Warden, was present and informed the meeting of the following:</p> <ul style="list-style-type: none"> • He had worked through lockdown, patrolling parks and handing out stickers to businesses to assist them to work in a covid-safe environment. • Most issues in the area were dog fouling and fly tipping. If an incident was not witnessed by the City Warden, then a witness statement is required from the resident to be able to get a person(s) prosecuted or to obtain information from the DVLA in the case of fly tipping. A good example of evidence was door camera footage. • Dog fouling was an issue across the city. As much information should be given as possible, such as the description of the person and dog, and time the incident occurred. • Residents could use the Love Leicester app to report issues, but were ensure that photos were uploaded before moving away from an area to that the GPS position can be sent to the cleansing team. • The App could also be used to report pot holes, obstruction to highway, trees hanging etc. • For people not able to use the App, orange bags had a generic number printed on them, and customer services would pass on the information to the City Warden. • Civil notices could be served for incidents. • Dog fouling in a communal garden was a grey area, but the key thing was the tenancy agreement as a starting point. If the dog was causing a nuisance or the tenant was not cleaning up after it, Housing could submit a breach of tenancy. The Housing Officer would need to be contacted in the first instance before City Wardens could act.
51.	WARD COMMUNITY BUDGET SUMMARY	<p>A summary of the ward community budget for 2022/23 was provided.</p> <p>The total number of applications received to date was 11.</p>

		The meeting was informed that remaining money was committed to Christmas events, Soup for the Soul and Featherstone Drive open space.
52.	ANY OTHER URGENT BUSINESS	<p>A public rally against the cost of living crisis 'Enough is Enough' was planned for Saturday 1 October at Jubilee Square.</p> <p>There being no other items of urgent business, the meeting closed at 12.55 pm.</p>

Eyres Monsell Community Development/ Support 2022

Alongside our youth club sessions, we have developed a range of services and groups that benefit the wider community.

Foodbank :

We continue to run a weekly foodbank that provides an average of 40-45 food parcels each week. Most of applicants live within the LE2 9 area, with only a few applying from out of the area.

We also continue to take on both 3 week and one-off emergency referrals. Current Referrals are from Early Help, Family Support Workers, Social Services, and school staff.

Since we started providing food parcels during covid-19, we have provided over 12,500 food parcels to residents within Eyres Monsell.

Pantry :

Our community pantry/shop is based in a state-of-the-art shipping container situated in our car park. It is designed to support local families with affordable food, toiletries, and essentials. Our prices are approximately half the standard retail price.

Our pantry currently opens during the following hours:
Monday 6:30-7:30pm
Tuesday 11-2pm
Thursday 11-2pm
Friday 11-2pm

On average we have around 52 people who use our pantry services in a typical week. This equates to an average of 208 per month.

And have 130 members currently signed up to our pantry scheme.

Community Projects:

We run a variety of community projects that community members can get involved with and benefit from. These include a weekly bowls club and Armchair Aerobics class that run every Tuesday, a Community Café (Thelma's Kitchen) that opens five days a week and a friendship group that meets once a month.

As part of our NHS, Getting Help in Neighbourhoods grant we run a women's only fitness class, a mixed fitness class, Mindfulness workshops and FREE counselling sessions with a fully qualified, independent counsellor.

Alongside this we also continue to run our Bounceback sessions. Bounceback is aimed at both young people (11+) and adults, who are suffering with mild to moderate mental health difficulties. Bounceback uses exercise and fitness to battle the stigmas around mental health. This programme works on an 8 week scheme, focusing on emotional wellbeing, fitness, self-confidence, self-esteem and personal development. (We try and make the programme personalised to the user and their needs) We accept professional and self-referrals for this programme.

Eyres Monsell Health Hub :

Over the past year we have been having some building work taking place at the centre. The building work is finally complete, and on Saturday October 1st 2022, our Health Hub will finally be officially opened!

The Health Hub will be a first stop shop for emotional and physical needs, with a personal trainer, gym instructors, mental health first aiders and a counsellor all on hand to support the local community.

EYRES MONSELL WARD

CITY WARDENS WORKING WITH YOU TO IMPROVE THE CITY'S ENVIRONMENT

Fly-tipping is a crime

If you give your waste to someone make sure they have a licence. It is your legal responsibility to make sure they dispose of it correctly.

You could face prosecution and a fine of up to £5,000 if your waste ends up being fly-tipped.

Fly-tipping causes a lot of problems. It:

- Costs tax payers and landowners to clear it up.
- Threatens humans and wildlife and damages our environment.
- Spoils our enjoyment of our towns and countryside.

Suspect - if in doubt don't let anyone take your waste, you could be fined if it's fly-tipped.

Check for their waste carrier registration number and note down the number plate of the vehicle.

Refuse cold callers – always carry out your own research.

ASK questions about what is going to happen to your waste.

Paperwork - make sure you get a receipt.

www.lesswaste.org.uk/flytipping

LOVE OUR APP

With our new app you'll be able to let us know about any environmental problems and also access a wealth of council information from your smartphone or tablet.

How does it work?

- 1. Download it** - Our free app is available for Android, Windows, Blackberry and iPhones. Simply visit your app store and search for Love Leicester.
- 2. Spot it** - Whether it's graffiti, litter, fly-tipping, dog fouling or another environmental problem, you can let us know about it.
- 3. Report it** - Take a picture of the problem and upload it using the app. You can tag the location and include other details so we can fix the issue quickly.
- 4. Fix it** - When you submit your report the details and picture will be sent to the right team who can fix the problem. They'll also be able to post a picture of what they've done.

As well as reporting problems, you can tell us what you like about Leicester. You can also find event listings, details of your nearest leisure centre, current consultations and easily get to our mobile friendly website for information on all council services.

The app is part of the Love Clean Streets network which is used by many councils. This means you can use it anywhere to report problems in other cities as well as Leicester, and the app will route your report to the right council.

It replaces the old One Clean Leicester app so if you already have this on your phone you'll need to uninstall it and download our new Love Leicester app.
