

# Rushey Mead Community Meeting

**Mellor Primary School,  
Clarke Street, Leicester LE4 7QN  
On Thursday, 11 October 2012  
Starting at 6:30 pm**

**The meeting will be in two parts**

**6.30 pm – 6.45 pm**

**Meet your Councillors and local service providers dealing with:-**

- Neighbourhood Policing
- Street Scene Enforcement
- Home Energy Advice
- Rushey Mead Bowling Club

**6.45 pm – 8.15 pm**

**Get involved in your area and planning for the future. There will be presentations and discussions on:**

- Local bus services and the Bus Users' Panel.
- Update on the progress of the planning application for Sainsbury's Melton Road.
- Rushey Mead Bowling Club
- Update on the security issues on Silverstone Drive
- The City Warden
- Policing and Community Safety
- Community Meeting budget
- Questions for Councillors

**YOUR community. YOUR voice.**

**Your Ward Councillors are:**

**Councillor Culdipp Singh Bhatti MBE  
Councillor Piara Singh Clair MBE  
Councillor Ross Willmott**

## **Making Meetings Accessible to All**

### **WHEELCHAIR**

Meetings are held in a variety of community venues. We will only hold meetings in venues where there is suitable access for wheelchairs. If you have any concerns about accessing a venue by wheelchair, please contact the Democratic Services Officer on the details provided.

### **BRILLE / AUDIO TAPE – CD / TRANSLATION**

If you require this agenda or a particular part of it to be translated or provided on audio tape, the Democratic Services Officer can organise this for you (production times will depend on equipment facility availability). In certain cases, subject to the agreement of the local Councillors, translation facilities can be provided at the meeting.

### **INDUCTION LOOPS – HEARING AT MEETINGS**

We provide a loop system at every meeting for people with hearing aids. If you have a hearing aid, please speak to the Democratic Services Officer at the meeting for further assistance if you think you won't be able to hear what's being discussed. There is also a facility which can help people hear better if you don't have a hearing aid but are hard of hearing, again please speak to the Democratic Services Officer about this.

## **INFORMATION FAIR**

### **PLEASE SEE BELOW FOR DETAILS OF SERVICE REPRESENTATIVES YOU CAN TALK TO AT THIS MEETING**

You can raise matters of concern, give opinions and find out information which may be of use

<b>Ward Councillors and General Information</b>  Talk to your local councillors or raise general queries	<b>Police Issues</b>  Talk to your Local Police about issues or raise general queries.
<b>City Warden</b>  Talk to your local City Warden and raise general queries relating to street scene enforcement issues.	<b>Home Energy Advice</b>  A representative from the Home Energy team will be present to offer advice on home energy schemes.
<b>Rushey Mead Bowling Club</b>  Talk to a representative from the Rushey Mead Bowling Club and find out what the club provides.	

**The first part of the agenda covers formal items which the Councillors need to deal with to ensure that regulations on holding meetings are kept to.**

**1. APOLOGIES FOR ABSENCE**

**1. DECLARATIONS OF INTEREST**

The first main item on the agenda is Declarations of Interest where Councillors have to say if there is anything on the agenda they have a personal interest in. For example if a meeting was due to discuss a budget application put forward by a community group and one of the Councillors was a member of that group, they would not be able to take part in the decision on that budget application.

Councillors are asked to declare any interest they may have in the business on the agenda, and/or indicate that Section 106 of the Local Government Finance Act 1992 applies to them.

**3. MINUTES OF PREVIOUS MEETING**

**[Appendix A](#)**

The minutes of the previous Rushey Mead Community Meeting, held on 12 July 2012, are attached and Members are asked to confirm them as a correct record.

**This next part of the agenda covers items where input from you on issues that affect your community is welcomed.**

**4. LOCAL BUS SERVICES AND THE BUS USERS' PANEL**

Following queries about local bus services raised at the previous Rushey Mead Community Meeting, an officer from Transport Strategy will be present. Members of the public will also be able to find out about the work of the Bus Users' Panel.

**5. UPDATE ON THE PROGRESS OF THE PLANNING APPLICATION FOR THE NEW SAINSBURY'S DEVELOPMENT, MELTON ROAD**

Members of the community will receive a brief update on the progress on the planning application for the new Sainsbury's Development on Melton Road.

**6. RUSHEY MEAD BOWLING CLUB**

Members of the public will have an opportunity to hear about the local Rushey Mead Bowling Club. A member from the club will be present.

**7. UPDATE ON SECURITY ISSUES: SILVERSTONE DRIVE / BADMINGTON ROAD**

There will be a brief update on the security issues relating to Silverstone Drive / Badmington Road / Nagle Grove.

**8. THE CITY WARDEN'S UPDATE**

The local City Warden will provide an update on street scene enforcement issues within the Rushey Mead Ward.

**9. POLICE AND COMMUNITY SAFETY UPDATE**

There will be an update on neighbourhood policing and community safety.

**10. COMMUNITY MEETING BUDGET**

**Councillors are reminded that they will need to declare any interest they may have in budget applications, and/or indicate that Section 106 of the Local Government Finance Act 1992 applies to them.**

The following funding application has been received:

**Personal Development Courses for local community residents to enable them to access and undertake volunteer work as a stepping stone back into employment aiding addressing community cohesion.**

(Joint bid to Belgrave and Latimer, Rushey Mead and Spinney Hill Wards).

**Submitted by: North Neighbourhood Sure Start Children's Centres  
Amount requested: £2888 per Ward.**

**Information as submitted by the applicant:**

*We are requesting the funding to enable delivery of a range of Personal Development Courses which will include confidence building, assertiveness and stress management to a wide range of local potential volunteer learners at the three Sure Start Children's centre's within the North Neighbourhood area. The 3 centres are:*

- *Woodbridge, 54a, Woodbridge Road (Rushey Mead Ward)*
- *Belgrave, Cossington Street (Belgrave & Latimer Ward)*
- *St Matthew's, 34 Vancouver Road (Spinney Hill Ward)*

*The courses will be 6 weeks long and 3 hours in length for a Maximum of 15 students. The room hire for the crèche and training will provided free of charge by the individual Sure Start Children's Centre.*

*We would like to begin running the courses in the autumn of 2012 (September if possible).*

*The course has been piloted by Sure Start North Neighbourhood Community Development team and was very successful. However capacity within Community Development team will be reduced in the next few months making it impossible to carry out any more courses of this nature. However the need for the course has increased and the centres were inundated with referrals from the local neighbourhoods as well as citywide. We will however only be offering this course to our own local residents with the postcodes within each centre's boundary. There are no similar courses within the area being offered.*

*The course will meet many of the Community Cohesion based on the pilot course outcomes which includes:*

### **Bringing different communities together.**

*The attendee's on the course were from a wide range of different ethnicities, different cultures and different languages are spoken. Whilst attending the course students began to gain an understanding of each other's backgrounds, cultures and perceptions began to change about stereo-types that students had held about different cultures. In turn friendships were formed which would not have occurred without the facilitation of the course. Breaking down any preconceived stereo-types will automatically have a positive impact upon communities and within families. Making areas more harmonious and better places to live and work.*

### **New Communities Bond Together**

*The course helped new communities to grow together and develop a self-help system – Students on the courses have often felt very isolated in their lives due to language and employment issues as well as mental and physical health issues. By attending the course a sense of belonging emerged and students were really encourage to support each other both in and out of the classroom, giving empathy and a non-judgemental approach to others in particular those new to living in the area. We would also encourage a Personal Development “self-help” group to form in its own entity and continue the work of the tutor. This group may become constituted through help from an organisation such as VAL.*

### **Course Content**

*The course will cover confidence building, assertiveness and stress management. Via the learner's evaluation of the course and them providing excellent feedback it was evident the pilot course proved extremely popular.*

*Please see below some examples of the impact the course had on the children / young people and their parents / carers due to accessing the pilot course from 26.6.2012.to 21.8.2012. Also direct feedback / comments we received from students themselves on evaluation and during the course:*

- “The course has really helped me to become more assertive especially with my children”*
- “The stress management was really great and the meditation was excellent”*
- “My confidence has grown during the course I would like to do the course again at another time”.*

**See attached course content and poster.**

**Referrals**

*Referrals come from a wide range of different agencies including family support, health visitors, existing volunteers, local community centre's etc.*

*The course was extremely oversubscribed and a waiting list has been kept in order to help with further recruitment. The Sure Start centres will take responsibility for recruitment of the students.*

**Every Child Matter's (ECM's)**

*The courses will contribute to the 5 areas of the ECM which are – 'Be Healthy', 'Enjoy and Achieve', 'Stay Safe', 'Make a Positive Contribution' and 'Achieve Economic Wellbeing'. Many of our parents on the course are lonely, isolated, depressed; have a mental or physical illness and literacy levels are low. However in the long term many are looking to gain employment by participating on the course they will feel more confident to move forward into other training, additional volunteering, employment or other types of educational activities.*

*At the present there are no courses even similar to this being run at local Further Education (FE) colleges due to national budget cuts for non- vocational courses. There are very few referral pathways for people suffering with low confidence and this course is an identified gap in provision.*

**Evaluation**

*We will evaluate the course at the end of the six week course using a simple evaluation making it accessible to anyone who's English is not their first language. The evaluation will be used to improve future courses.*

**Tracking Students Progress (post course completion)**

*From the pilot course it was evident to ensure best results and continued support that we include in future courses:*

- Contact after 3 months of course completion*
- Contact after 6 months of course completion*
- Contact after 12 months of course completion with an invitation to bring the group back together for mutual support and encouragement*

*This will enable us to support, track their progress and offer appropriate support when required as well as helping shape future courses.*

<b>Item</b>	<b>Cost (£)</b>	<b>Estimate/ Actual cost?</b>	<b>Request to Ward Meeting (£)</b>
Course tutor: <ul style="list-style-type: none"><li>• 5 hours @ £10.00 per hour x 2 courses preparation work on producing the</li></ul>	£ 100.00	£ 100.00	£ 100.00

## 11. QUESTIONS FOR COUNCILLORS

Members of the community will have an opportunity to raise questions with their ward Councillors.

## 12. DATES OF FUTURE MEETINGS

Future Rushey Mead Community Meetings have been arranged as follows:

Thursday 10 January 2013 at 6.30 pm – venue to be confirmed.

Thursday 14 March 2013 at 6.30 pm – venue to be confirmed.

13. **ANY OTHER BUSINESS**

**Help us to make improvements!**

Please help us to improve Community Meetings by filling in an **Evaluation sheet** to let us know what you thought of the meeting. Thank you.

# Rushey Mead

# Community Meeting

## Your Community, Your Voice

### Record of Meeting and Actions

6:30 pm, Thursday, 12 July 2012

Held at: Rushey Mead Recreation Centre, Gleneagles Avenue,  
Leicester

Who was there:

Councillor Culdipp Singh Bhatti MBE
--

Councillor Ross Willmott
--------------------------

### **30. ELECTION OF CHAIR**

Councillor Ross Willmott was elected as Chair and welcomed everyone to the Rushey Mead Community Meeting.

### **31. APOLOGIES FOR ABSENCE**

Apologies for absence were received from Councillor Clair who was on holiday.

### **32. DECLARATIONS OF INTEREST**

There were no declarations of interest.

### **33. MINUTES OF PREVIOUS MEETING**

The minutes of the meeting held on 14 May 2012 were agreed as a correct record.

### **34. UPDATE ON THE GIPSY AND TRAVELLERS' SITE**

The Chair announced that in response to requests from members of the public, there would be an additional item to provide an update on the Gipsy and Travellers' site. Ian Jordan, Senior Planner addressed the meeting and made the following points:

- The proposal was for three potential sites on Greengate Lane, Beaumont Way and Red Hill Way.
- The consultation commenced in February and ended on 13 July (the day after the meeting). So far 1500 responses had been received.
- The results would be analysed and a report submitted to the City Mayor.
- The City Mayor and Executive would also consider scrutiny recommendations.
- Planning permission would also be required and if granted, the work would probably commence in 2013. Highways and traffic issues would be taken into account.

A member of the community question why the potential sites were situated so close together. Ian explained that approximately 350 sites had been assessed city-wide, details of which were on the City Council's website and the three potential sites in question were considered to be the most suitable. Most of the unauthorised sites were in this part of the city and existing travellers already used schools in the area.

Concerns were expressed that there was an unofficial traveller site on Hoods Close, Beaumont Leys Lane and a local resident explained that she had submitted a petition regarding this.

### **35. UPDATE ON THE PLANNING APPLICATION FOR THE SAINSBURY'S DEVELOPMENT ON MELTON ROAD (THE FORMER GE/THORN LIGHTING SITE)**

James Schadla-Hall, the Member Support Officer to the Rushey Mead Community Meeting gave an update on the planning application for the Sainsbury's development on Melton Road (the former GE/ Thorn Lighting site). James explained that the application had been approved at the Planning and Development Control Committee meeting on 21 June 2012 and had been referred to the Secretary of State for approval. A change of use was required which the Government would need to agree to. Residents queried whether, if the development was approved by the Secretary of State, local people would be employed at the new store. The Chair responded that this would be good for area and he would raise this with Sainsbury's.

### **36. HEALTHWATCH**

John Gater and Barbara Czyznikowska from Health Watch (formerly known as LINK) gave a presentation to the meeting. This presentation referred to the current changes in Health and Social Care arising from The Health and Social Care Act 2012, which was considered to be the biggest reform of the National Health Service since it began.

The meeting was informed on the principle provisions of the Act which included the change of the Local Involvement Networks (LINKs) to Health Watch. Other changes included the abolishment of Primary Care Trusts, which would become Clinical Commissioning Groups and the formation of Health and Wellbeing Boards.

Members of the community were informed about the Leicester City Commissioning Group and the Health and Wellbeing Board and the liaison work with the City Mayor where social need and aims and objectives were being mapped. Community representatives and members of the public were asked to contact Health Watch with suggestions of any areas where it was felt that a gap in service currently existed. Members of the community were also urged to contact Health Watch with their experiences of health and social care.

A feedback questionnaire was circulated to the meeting in respect to of the 'Health Watch Leicester – Interim Vision'. Attendees at the meeting were asked to indicate whether they agreed with the Vision Statement and the questionnaire included a section for completion where consultees were asked to comment on any suggested alternative wording. An invitation to the Shadow Board's engagement event was also circulated. It was noted that the development of a Joint Health and Wellbeing Strategy for Leicester had begun and the importance of this consultation exercise in the process was expressed.

At the conclusion of the presentation, attendees were invited to complete an evaluation sheet whereby they could indicate what they felt the principle values of Health Watch should be. As part of the evaluation attendees were also asked to complete their contact details in order that they could be invited to future public meetings.

A resident asked where Health Watch would be based and Barbara explained that this was still unknown although the Council had put out a contract for tender.

### **37. WILDFOWL FEEDING AWARENESS CAMPAIGN UPDATE**

Paul Barker (from Leicester City Council's Parks Services) provided an update on the Wildfowl feeding awareness campaign. He made the following points:

- The aim of the campaign was to reduce the feeding of wildfowl at Watermead Park.
- Too much food was being brought to the park. Most of the food was bread which was not good for geese because it did not contain nutrients. Ian explained that geese could consume large quantities of bread yet still be starving and in addition large amounts of bread could lead to deformities in the birds.
- Staff had been talking to people and swapping their bread for bird food. The bread had then been taken away and weighed and had totalled 835 kgs, which equated to approximately 665 loaves of bread.
- On one occasion, one person was seen to bring 12 loaves of bread to the park to feed to the wildfowl.
- The awareness campaign had now finished and wardens would be issuing fixed penalty notices to anyone who brought excessive amounts of bread or cooked rice.
- Paul urged people not to give bread to the geese, but to use proper bird food which was available in pet shops.
- People were also asked not to feed birds in the car parks. There had been a large volume of droppings in the car parks which could become slippery and additionally, the geese could be intimidating to some people.

The Chair asked members of the community to pass on this advice to their friends and families and commented that unfortunately by feeding the birds inappropriately, people were harming them rather than helping them.

### **38. CITY WARDEN'S REPORT**

Bharat Patel and Chirag Ruda, City Wardens for the local area gave a report on street scene enforcement issues. Bharat explained that he had been working at Watermead Park and four people, with excessive amounts of food for the birds had been issued with fines. It was hoped that by educating people the problem at Watermead would be kept under control. The majority of issues the City Wardens dealt with were relating to dog fouling and cars for sale on the streets.

The following issues were raised:

- There was a badly damaged car parked on Rosedale Avenue – Pc Rob Pountney reported that the Police were aware of this.
- People were putting bread out for birds in public places. Concerns were expressed that songbirds were being frightened off because people were encouraging pigeons and magpies.
- There was a problem with large dogs running loose on Appleton Park. It was requested that a sign should be erected advising that dogs should be kept on a lead.
- There were problems on part of Woodbridge Road, and the area looked very untidy. A garage had opened and there were often numerous cars there, some of which were in very poor condition. Chirag explained that if the cars were taxed and insured, they might not be able to take any action but they would take a look to see if there was anything that could be done.
- There was a problem with people parking their cars in an irresponsible manner on Gleneagles Avenue near to Soar Valley College. In some instances, driveways were blocked as people either took students to school or waited to collect them. The Chair explained that local residents had raised a number of concerns and in response he had written to the Principal of the College. The Chair asked the City Wardens to talk to the drivers if possible and ask them to be mindful of the need to be courteous to the local residents close to the college.

Members of the community suggested that there should be a 'No Parking' regulation at the school, at the start and the end of the day. The Chair responded that it might be possible to implement some parking restrictions with yellow lines painted on the road, but these were sometimes ignored by drivers and in addition, local residents might not want them. He added that one of the issues was ensuring that people abided by parking regulations at schools. Further suggestions were offered that parents should be encouraged to car share, or that the students should be encouraged walk or catch the bus to college. In addition to the parking problems, a resident expressed concerns that groups of students from Soar Valley congregated in Gleneagles Walk, smoking and leaving litter. This could be disturbing for the local residents.

The Chair acknowledged that a concerted effort was required to resolve the parking problems at Soar Valley College.

- Mellor Primary School – there were also parking problems at Mellor Primary School. It had been hoped that when the main entrance had been relocated, the parking would improve, but this had not happened. The Chair offered to write to the Head Teacher at Mellor Primary to remind parents to park courteously.

### **39. NEIGHBOURHOOD POLICING AND COMMUNITY SAFETY UPDATE**

Pc Rob Pountney provided an update on local policing issues. He explained that over the past few months, there had been a reduction in crime generally and the number of assaults although there had been an increase in the number of burglaries.

The Police had been tackling anti-social behaviour and mostly dealing with groups of youths, some of whom had been congregating on Fairfax Road. A group that had been congregating around the Lockerbie shops had moved onto Rushey Park. There had been an issue on Clarke Street with youths playing football and also parking problems on Alderton Close during the opening night celebrations of a new place of worship.

Pc Pountney asked people to be tolerant if the children were just playing and not causing any damage, but to let the police know if they were experiencing problems from anti-social behaviour.

A member of the community commented that more Police were needed and Pc Pountney responded that there was a reduction in staffing across the board, but the staffing structure was changing and there would be less officers during the week, but more on duty at the weekend.

In measures to tackle anti-social behaviour, the Police had taken a pro-active approach and had participated in assemblies in schools, spoken to students with challenging behaviour and directed young people to activities during the summer holidays.

Concern was expressed that some people, for example with addictions, took up a lot of Police time which prevented them working on other problems in the neighbourhood. Pc Pountney explained that there were vulnerable people with different problems and issues and the Police, along with other agencies needed to work together to help resolve their problems.

### **40. COMMUNITY MEETING BUDGET**

Members of the public received feedback on projects that had been supported through the community meeting budget:

#### **Rushey Mead Diamond Jubilee Event (funding of £500 previously approved).**

The meeting heard that the event, which had been held in conjunction with a similar event at the nearby Old People's Home, had been very successful with an attendance of approximately £350 – 400 people. The party had promoted community cohesion and requests had been made to hold a similar party in 2013, although without the Diamond Jubilee theme.

**Summer Fete 2012: £381 funding request from Sandfield School Parent Teacher Association fast tracked and approved.**

The meeting heard that the fete had been successful. Activities had included a fashion show staged by the children, dance performances, a cricket challenge and face painting. The event had also been supported by the local business community and thanks were given to the Community Meeting for the funding support that they had also given.

Applications for grants from the Community Meeting Budget were considered as follows:

**Dance Workout**

**Submitted by Lucy Bailey.**

**Amount Requested: £230.40**

The Chair explained that the dance classes would be held at the Rushey Mead Recreation Centre and funding was requested for the hire of the hall.

RESOLVED:

that the funding application be supported in full to the value of £230.40.

**Summer Playscheme / Activity Sessions**

**Submitted by Vijay Patel**

**Amount Requested £500**

Mr Veejay Patel who had submitted the funding application was in attendance at the meeting and presented the bid. He explained that the sessions were for young people age 13 years and above, and that the scheme had been held before and had been very successful.

RESOLVED:

that the application be supported in full to the value of £500.

**Diwali and Navratri Community Safety Campaign**

**Submitted by Shobana Patel, Community Safety Team , Leicester City Council on behalf of the multi-agency group consisting of Leicestershire Police and Leicestershire Fire and Rescue Service.**

**Amount Requested: £500 from Rushey Mead and £1000 from Belgrave and Latimer Wards.**

This was a late application which had arrived after the agenda had been circulated. The aim of the campaign was to reduce burglaries and robberies and funding was requested for the printing of leaflets, posters and Diwali cards.

RESOLVED:

that the funding application be supported in full to the value of £500

### **The Friends of Watermead Family Discovery Day**

**Submitted by: The Friends of Watermead Country Park**

**Amount Requested: £783**

This was a late funding application which arrived after the agenda had been circulated. The event is planned for 11 August 2012 and activities will include the use of a shave horse with traditional tools, willow weaving and storytelling.

The Chair commented that the event had proved to be very successful in the past.

RESOLVED

that the application be supported in full to the value of £783

### **Summer Fitness Inclusion**

**Submitted by Owen Johnson**

**Amount Requested: £820**

This was a late application which had arrived after the agenda had been circulated. Owen Johnson was in attendance at the meeting, presented the bid and explained that funding was requested for a 1 week fitness training programme for children. This would combine football and athletics and would promote healthier living.

RESOLVED:

that the funding application be supported in full to the value of £820.

### **Sakhi Milan Ladies Group**

**Submitted by Smita Radia and Ramila Ruparell**

**Amount Requested: £600**

Councillors gave conditional approval to the funding application subject to satisfactory information being given in writing concerning the number of people from Rushey Mead who attended the group.

RESOLVED:

that the funding application be supported in principle subject to satisfactory information being given in writing concerning the number of people from the Rushey Mead Ward who attended the Sakhi Milan Ladies Group.

An enquiry was made as to whether it might be possible to obtain funding from the community meeting to pay for the hall in the Rushey Mead Recreation Centre to be painted. It was considered that this would make it more attractive for future lettings. Councillors commented that as the building was owned by the City Council, it might be preferable to contact them direct rather than use money from the community meeting budget.

#### **41. DATES OF FUTURE MEETINGS**

The Chair explained that the next meeting would be held on Thursday 11 October. A member of the public requested that the meeting be held at Mellor Primary School and it was agreed to look into this possibility.

#### **42. ANY OTHER BUSINESS**

##### **Mellor Primary School**

A member of the public commented that Mellor Primary was billed as a community school and she queried what facilities they offered to local people. She asked if it could be ascertained when the school might be doing something for the community and the Chair responded that that question could be raised with the Head teacher.

##### **Rushey Mead Park**

Concerns were expressed over rusty railings on the Melton Road side of the park.

##### **First Bus**

Members of the community expressed dissatisfaction with the service provided by First Bus, as the 21 and 21A no longer serviced the area around Nicklaus Road. This created problems for approximately 60 students who attended Gateway College.

#### **43. CLOSE OF MEETING**

The meeting closed at 8.30 pm.
