BRAILLE / AUDIO TAPE – CD / TRANSLATION

If you require this agenda or a particular part of it to be translated or provided on audio tape, the Democratic Services Officer can organise this for you (production times will depend on equipment facility availability). In certain cases, subject to the agreement of the local Councillors, translation facilities can be provided at the meeting.

INDUCTION LOOPS – HEARING AT MEETINGS

We provide a loop system at every meeting for people with hearing aids. If you have a hearing aid, please speak to the Democratic Services Officer at the meeting for further assistance if you think you won't be able to hear what's being discussed. There is also a facility which can help people hear better if you don't have a hearing aid but are hard of hearing, again please speak to the Democratic Services Officer about this.
