## **Making Meetings Accessible to All**

### **WHEELCHAIR**

Meetings are held in a variety of community venues. We will only hold meetings in venues where there is suitable access for wheelchairs. If you have any concerns about accessing a venue by wheelchair, please contact the Democratic Services Officer on the details provided.

### **BRAILLE / AUDIO TAPE – CD / TRANSLATION**

If you require this agenda or a particular part of it to be translated or provided on audio tape, the Democratic Services Officer can organise this for you (production times will depend on equipment facility availability). In certain cases, subject to the agreement of the local Councillors, translation facilities can be provided at the meeting.

### **INDUCTION LOOPS – HEARING AT MEETINGS**

We provide a loop system at every meeting for people with hearing aids. If you have a hearing aid, please speak to the Democratic Services Officer at the meeting for further assistance if you think you won't be able to hear what's being discussed. There is also a facility which can help people hear better if you don't have a hearing aid but are hard of hearing, again please speak to the Democratic Services Officer about this.

**The first part of the agenda covers formal items which the Councillors need to deal with to ensure that regulations on holding meetings are kept to.**

**1. ELECTION OF CHAIR**

Councillors will elect a Chair for the meeting.

**2. APOLOGIES FOR ABSENCE**

**3. DECLARATIONS OF INTEREST**

The first main item on the agenda is Declarations of Interest where Councillors have to say if there is anything on the agenda they have a personal interest in. For example if a meeting was due to discuss a budget application put forward by a community group and one of the Councillors was a member of that group, they would not be able to take part in the decision on that budget application.

Councillors are asked to declare any interest they may have in the business on the agenda, and/or indicate that Section 106 of the Local Government Finance Act 1992 applies to them.

**4. MINUTES OF PREVIOUS MEETING**

The minutes of the previous Evington Community Meeting, held on 28 February 2013 have been circulated and Members are asked to confirm them as a correct record.

Submitted by: Robert Esterbrook, Hon Treasurer of Evington Village Hall.  
Amount requested: £4407

The following information has been submitted in support of the funding bid:

“The existing boiler is a conventional flue band G boiler and is deemed to be very inefficient by modern standards. In addition the existing controls are difficult to manage for a property which is not occupied such a residential property.

The existing boiler is estimated by experts to be running at just 60% efficiency. For every pound expensed, the resulting heating value is 60p.

A modern fanned flue boiler will be rated at band A and be operating at 90.2% efficiency (the highest possible official efficiency category).

A quote from Farthings has been received and covers the removal of the current boiler and the installation of a Worcester Bosch Greenstar 40cdi A rated gas condensing boiler. The estimate also includes installation of a new programmable room thermostat.

The proposed new boiler carries a 5 year guarantee (10 years on the heat exchanger) and is environmentally friendly having low A/Ox and CO2 emissions. The boiler is registered with the Energy Saving Trust.”

Funding of £4407 is requested for the cost of the new boiler.

With the money we hope to receive, we would like to Include in the 6 week programme some tennis equipment, ie net/raquets/balls. This is in order for the school to continue with tennis after the programme has finished.

When the block of coaching has finished we are going to offer places for 4 children (2 boys/2 girls) to take part in a coaching group based at Victoria tennis club on a Sunday for 6 weeks.

This programme will form a good school to club link with Victoria tennis club and give access to a tennis club”
