M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 9)

We are a convenience store that sells alcohol as part of goods. All the staff will be trained to meet all licensing objectives and will be monitored to sell alcohol by the rules of "challenge 25" and if a person will look under 25 we will be asking for proof of identity like an official ID to prove they are aged 18 or over. All training materials are viewed regularly. Any person who appears to be drunk/aggressive will not be permitted on the premises. Notices to be placed in prominent positions to ask patrons to leave the premises quietly. We provide substantial and quality food. A suitable evacuation plan in case of emergency. CCTV recording and public safety included.

b) The prevention of crime and disorder

We will actively co-operate with the local police to ensure that we are made aware of particular problems which affect the area and which may potentially affect our store. We will not countenance the use or supply of illegal drugs and our staff will inform the police immediately of any such suspected activity on or in the vicinity of the store. The premises will have digital CCTV system that covers the shop floor, especially proposed area which will be used for alcohol. The outside area will also be monitored by CCTV for safety reasons, to seek to influence behaviour, protect staff and property and where necessary to provide unequivocal evidence of an incident to assist subsequent prosecution. Images will be retained for a minimum of 31 days and made available on enforcement request.

c) Public safety

The premises comply with all requisite health and safety legislation. A person will have responsibility for the premises whilst the premises are open. Management will be trained to support the running of the premises including looking after our customers and staff. The store will adhere to all rules and regulations relating to public safety as it will be an effective tool in the prevention and detection of any crime. Staff will be fully aware of licensing laws. I will fully support any directives received from the authorities. Regular electric safety check (where relevant) by a competent person. Premises will also be taking part in fire safety and health safety.

d) The prevention of public nuisance

We intend to be an active member of the community. We welcome the opportunity to liaise with Police and enforcement authorities should the need arise. Notices to be placed in prominent positions to ask patrons to leave the premises quietly. Store will also keep and active incident book which will be available to write any incidents by all members of staff.

e) The protection of children from harm

All staff will be trained and regularly refreshed in the corporate "Challenge25" Policy. A till prompt will appear on the initial sale of alcohol that will remind the seller of their responsibilities including not to sell alcohol to anyone under the age of 18. The store will display signage around the premises informing both staff and customers of our "Challenge25" policy on alcohol. Alcohol will be sold in opaque bags to protect children from the sight of alcohol. The proof of age will be asked if someone appears to be under age with proof like: valid passport, driving license and identity/proof of age cards issued under the proof of age standard scheme (PASS) bearing the PASS hologram.

Please tick one or more of the licensing objectives that your representation relates to:

*

- Prevention of Crime and Disorder
- Public Safety
- Prevention of Public Nuisance
- Protection of Children From Harm

Please summarise your concerns about this application:

*

It is immoral to have a shop selling alcohol and cigarettes as an integral part of a Doctors surgery. It will also have the potential to contribute to anti-social behaviour in the local area especially with the YMCA youths on Belvoir Drive.

Please give further details of WHY you believe this application will have an adverse effect on the licensing objectives:

*

The age range for residents at the YMCA is now 16-24 older residents will have another place to purchase alcohol the incentive will be even greater if it is cheap and stronger proof.

The moral implications as part of the surgery are surely self explanatory. Alcohol can contribute to health problems!

By virtue of paragraph(s) 1, 2 of Part 1 of Schedule 12A
of the Local Government Act 1972.
