Councillor Willmott

<u>NO.</u>	<u>ITEM</u>	<u>ACTION REQUESTED AT MEETING</u>
1.	INTRODUCTIONS	Councillor Willmott, elected as Chair, welcomed everyone and led introductions.
2.	APOLOGIES FOR ABSENCE	None received.
3.	ACTION LOG OF THE PREVIOUS MEETING	<p>The action log of 17th February 2015 was circulated and confirmed as an accurate record.</p> <p>Matters arising:</p> <ul style="list-style-type: none">• School signs on Woodbridge Road were now in place,• The barrier that closed the footpath on Woodbridge Road had been removed and new trees planted but a permanent repair to the footpath was still outstanding,• New gates had been installed at the Library to address problems associated with fly tipping. The gates had cost £1200 and were originally for a private contract but as no longer required the contractors had offered them to the council at a reduced price. The Chair commented that the gates were working well and had served their purpose stopping fly tipping in that area.• Re: Pavement parking on Clarke Street near Mellor Primary School – a meeting was to be arranged but had not taken place. The Chair confirmed that if this was still an issue the meeting could be arranged but had not happened yet due to election period and school summer holidays. Action: Head teacher to be contacted.
4.	LOCAL POLICING UPDATE	Sgt Simon Walters gave an update on local policing issues in the ward and reported crime statistics were noted.

		<p>It was reported that the neighbourhood policing team had undergone some changes since the last meeting, Claire Tothill was currently on maternity leave and PC James Thomas had been promoted to Sgt and moved to the Braunstone area. PC Steve Douglas was joining the team.</p> <p>The following points were raised in discussion:</p> <ul style="list-style-type: none"> • Bath Street – complaints regarding poor street lighting, overgrown shrubs and anti-social behaviour (ASB) had been addressed, new lighting had been installed along with bollards and a metal barrier and shrubs cut back and the area had seen a big drop in ASB. • Garages in Buckhaven Close, people were congregating and alleged to be smoking drugs in that area. Residents with concerns were encouraged to phone in such complaints for police to act on. • Rushey Fields Recreation Ground, groups were congregating to drink there in the evenings. Sgt Walters informed the area was on the boundary with Belgrave and the police teams for both wards could look into those issues. • “Park Watch”, a local police initiative would be launched in the area and would operate in a similar way to Neighbourhood Watch schemes. • Concerns were raised about the anonymity of calls to 101, it was confirmed that if someone called and wanted to be anonymous their name would be but not the number they dialled from as this would show on the digital calling system, however, if matters went to court then evidence/statements would be redacted so that telephone numbers/addresses were not shown. <p>Residents were reminded to be vigilant, keep valuables out of sight in vehicles and remember to secure their properties.</p>
<p>5.</p>	<p>PAVEMENT PARKING UPDATE</p>	<p>The Chair informed the meeting that problem parking was still an issue and there was not a simple solution that would fit all. The council had looked at a number of suggestions and 2 pilot schemes to mark out where cars could park would be adopted in the Rushey Mead ward on Harrison Road and Braemar Drive. The public would be consulted between September and December and the aim was to stop blocking</p>

		<p>pavements and try to come to a compromise. Once areas were marked it would become an offence to park outside those areas and the council would enforce that. Civil Enforcement officers now had scooters and would be coming out to wards to tackle problems.</p>
6.	PUBLIC ARTWORK BY TROON WAY JUNCTION	<p>Councillor Clair circulated images of the artwork that had been commissioned to be placed at the Troon Way/Melton Road traffic junction. The steel structure on a concrete base would depict a tree with branches that extended into lightbulbs; this was to reflect the connection to the Thorn Lighting building that had existed for many years before Sainsburys was constructed on that site. There would also be a connecting walkway, benches and a plinth which would have a map on to reflect the multi-culturalism of the city.</p>
7.	CITY WARDEN UPDATE	<p>Mo Patel, City Warden gave an update on issues in the Rushey Mead Ward and distributed information leaflets to those present.</p> <p>It was noted that Jethro Swift, City Warden had now moved to another ward area.</p> <p>It was reported that:</p> <ul style="list-style-type: none"> • Recycling banks at Lockerbie Shops were still being monitored. • Dalkeith Road garages had been visited and all were found to be locked and secure. • Rubbish on Private land continued to be an issue in the ward and work was ongoing to get areas cleared, positive results had been seen on Huntsman’s Way which had been cleared by Community payback. • Bird Feeding – advisory letters had been sent to some residents, feedback suggested these had made a difference. • Littering/Dog Fouling – early morning patrols were done on Rushey Fields with a colleague from Parks Services in relation to Dog Fouling complaints. • Fixed Penalty Notices of £80 could only be issued for littering if City Warden had evidence to prove who had done it. • Litter was an issue on Rushey Fields particularly Saturdays and bins were often very full – ACTION: Feedback to Parks Service
8.	JESSE JACKSON	<p>The Community Engagement Officer had successfully</p>

	GYM SESSIONS	arranged for funding of training sessions using the outdoor gym equipment over a set period and this had now been extended and would resume again in Spring. More details could be obtained from Amita Miles, tel: 4544139 email: amita.miles@leicester.gov.uk
9.	FEEDBACK FROM FUNDING PROJECTS	Sandfield Parent Teacher Association provided an update on the use of funds they had secured through the ward bids to hold a community fun day in July; this had become a large annual event and was well attended by over 1000 people. The funding had been used for flyers and distribution, hire of children themed characters, tables and chairs.

<p>11.</p>	<p>"QUESTIONS TO COUNCILLORS"</p>	<ul style="list-style-type: none"> • Residents asked for CCTV for the Rushey Mead ward. The Chair informed that the council determine and prioritise CCTV installation based on number of reports of incidents in an area. If no report then no evidence to justify CCTV. The CCTV on Belgrave Rd was for traffic monitoring purposes as an arterial route into the city. • Rushey Mead boundary had changed and copies of the new ward maps would be brought to the next meeting (attached for info). • Bus routes were a concern to residents, there were also issues with access by the elderly/infirm to bus stops – the Chair agreed to take details outside of the meeting. • Residents were concerned at the length of time between ward meetings, especially as the last one had taken place in February. It was noted there had been a longer than usual start to meetings in part due to the election period. Residents were advised where there was a need for an additional ward meeting that could be arranged. Ward councillor surgeries were also continuing in between meetings for residents to see councillors and raise issues and concerns.

		<ul style="list-style-type: none"> • Umesh Patel, Community Wellness Practitioner reminded residents to be careful and not leave unattended candles and divas especially at this time of year when Diwali was approaching. • Concerns about the Noise Team availability were raised, the Chair advised that it was regrettable that a number of cut backs had affected services and it was important to receive that feedback from residents. • The issue of travellers along Watermead Way and Redhill Circle and the legal and clean-up costs was raised. Residents were informed that honest costs had been reported in the past, a petition had been presented by Cllr Riyait of the Abbey Ward which would go to Council however the issue had to be managed in the best way possible.
