25.	CITY WARDEN AND COMMUNITY SAFETY - UPDATE	Mohammed Patel, City Warden gave an update on issues in the Belgrave Ward and distributed information leaflets to those present.

- Dog fouling had increased, with the Catherine street area being identified as a significant area for offences leading to on-street notices being displayed. It was noted that the offence was difficult to enforce and the public were asked to report any instances witnessed to allow Fixed Penalty Notices to be issued to offenders. Offences of dog fouling on parks were also increasing and liaison with Parks Services was ongoing.
- Fly tipping enforcement had resulted in positive impacts reports. A large fly tip of over 50 bags of waste had been cleared and the culprit had been identified.
- Problems continued with the repeat offence of students leaving household goods on-street when vacating let properties. Efforts to educate landlords and the liaison with Cleansing Services were explained.
- It was reported that issues arising from an increase in the feeding of birds had continued, after a significant effort to educate the public, as reported to the previous meeting. Councillors expressed their disappointment, given the amount of work and signage undertaken to tackle the problem.
- In response to questions, the Warden agreed to investigate the following issues of concern:
 - Vehicles being repaired on-street, or causing obstruction by being parked adjacent to repair centres/garages.
 - The implications of vehicles being untaxed while awaiting repair were noted, it was also noted that the DVLA website allowed the public to identify vehicles that were untaxed.

		<ul style="list-style-type: none"> ○ Cars ‘for sale’ on-street. ○ Spitting in the street. ○ Graffiti – and particular the ‘KS ST 16’ tag that had appeared throughout the Ward. <p>In conclusion, Mohammed reminded the public of the number to phone the service (0116 4541001). <p>26.</p>	<p>REDEVELOPMENT OF BELGRAVE ROAD - UPDATE</p>	<p>The Chair referred to the apology for absence received from Barry Pritchard (Group Manager, Transport Strategy).</p> <p>The apology was accepted and the following statement had been forwarded and was read out:</p> <p><i>“The result of the consultation exercise was that there were almost equal numbers in favour of keeping 2 lanes for traffic in each direction and for altering the road to 1 lane in each direction. As a result the consultants working on the project are being asked to develop two more detailed schemes, one retaining 2 lanes in each direction and the other with 1 lane in each direction. This work is at a very early stage; when the schemes have been designed a further consultation exercise will be undertaken. Although no date has yet been set this is likely to be during June”.</i></p> <p>In respect of the Sainsbury’s site, it was reported that Sainsbury’s development team were currently reviewing the development options. They had indicated once they have a draft scheme they would wish to consult the local community before they submitted a planning application. It was anticipated at this stage that consultation could take place in early Summer.</p> <p>The position was noted.</p> <p>The City Warden responded to questions concerning the upkeep of private premises and shops in the Ward, particularly those falling into disrepair at Loughborough Road and Belgrave Road.</p>
