47.	ACTION LOG OF PREVIOUS MEETING	<p>The Action Log from the meeting held on 21 July 2016 was circulated and confirmed as a correct record.</p>
48.	WARD COUNCILLORS' FEEDBACK	<p>All three Evington Ward Councillors noted the success of the patch walk which took place in several parts of the ward on 17 November 2016. Councillors also noted the following activities which they had been dealing with in the ward:</p> <p>Councillor Hunter</p> <ul style="list-style-type: none">• Informed attendees of the current Council Committees that she was a member of, and also gave an update on Councillor's surgeries information.• Safer parking was being looked into around Rowlatts Hill estate, Coleman Road, Waterfield Close, Barnes Heath Road, Greenacre Drive and several other roads.• After school activities would be taking place at Coleman Neighbourhood Centre from April 2017.• Councillor Hunter had met the new area Manager for Housing – Nick Griffiths to discuss

		<p>constituents housing issues.</p> <ul style="list-style-type: none"> • The exercise equipment in Humberstone Park had now been installed. • Street lighting had now been installed on Rockingham Close. • Bushes in the ward which were obstructing traffic had been pruned. • Support had been provided for two schools on Spencefield Lane; Krishna Avanti Primary School and St Paul's Catholic School to recruit a crossing guide. • Councillor Hunter had visited other wards that had undergone the Transforming Neighbourhood Services (TNS) process in order to get an idea of the process, as the consultation would soon be taking place for TNS in the Evington Ward. <p>Councillor Bajaj</p> <ul style="list-style-type: none"> • A meeting had been set up to discuss preventing accidents and obstructions surrounding schools. • A 20mph speed limit consultation for several roads in the ward was currently taking place. • In regards to the crossing at Angela Drive, the implementation of knee high railing was in process. • A resident had concerns regarding speeding down Davenport Road. Councillor Bajaj noted that this had been reported and speed cushions could possibly be installed with the 2017/18 Highways funds. <p>Councillor Govind</p> <ul style="list-style-type: none"> • Noted his presence on the Council's Planning Committee. • Had been engaging in regular works with the Police. • Addressed concerns with current changes to the bus service and how to move forward.
49.	UPDATE ON BUS ROUTES	<p>It was noted by Councillor Govind that a meeting had taken place on 10 February 2017 to consider re-instating the bus service on Davenport Road and Gamel Road.</p> <p>Councillor Adam Clarke Assistant City Mayor was present at the meeting to give the following update on the First Bus route concerned with in the Ward.</p>

		<ul style="list-style-type: none"> • It was noted that the First Bus route 54 had faced issues such as; the service was losing time/ struggling at certain points on the route and therefore Gamel Road was cut from the route in order to improve the situation. • It was noted that options such as; implementing additional parking restrictions was looked at and the First Bus Director requested additional yellow lines. A provisional cost of the scheme was noted as £750. • It was noted that if lines were to be implemented, this would take place approximately May 2017. However, there was some debate that lines would not improve the situation, therefore other resolutions were being discussed. • A consultation on the issue took place with emergency services. Following this Councillor Clarke noted that a report was due to be signed off and the next stage was for the report to go to the local press for a wider 3 week consultation with residents/ the public etc. <p>Residents' queries/ concerns regarding Gamel Road/ Davenport Road:</p> <ul style="list-style-type: none"> • Could the road be widened at the corner? • How would the lines be enforced? How and would wardens monitor this? • Could anything be done about the mud which had been churned up? • Residents also noted the possibility of a one way system. • Gamel Road mosque and its current developments? Councillor Govind noted that there were delays in building the new block and therefore some parking inconveniences would take place during this process. <p>Councillor Clarke advised residents to put forward their concerns and opinions when the consultation was active.</p>						
50.
