

Fosse Community Meeting

DATE: Thursday, 23 March 2017

TIME: 6:00 pm

PLACE: Active Arts Centre,
39 - 45 Pool Road, Leicester,
LE3 9GH

Ward Councillors

Councillor Dawn Alfonso
Councillor Ted Cassidy MBE

Conduct Guidance

The behaviour of people at ward community meetings is important to the success of the meeting. Everyone attending today's meeting is kindly asked to comply with the following arrangements:

- Respect the views of others
- Keep to the Agenda
- One person speaks at a time
- Keep disruption to the minimum (mobile phones on silent) and no side discussions

If anyone does not comply with the guidance, they may be warned that they may be asked to leave the meeting.

Making Meetings Accessible to All

Access – Meetings are held in a variety of community venues. We will only hold meetings in venues where there is suitable access for wheelchairs. If you have any concerns about accessing a venue by wheelchair, please contact the Democratic Support Officer on the number given below. If you feel you may not be able to hear what's being discussed at a meeting please contact the Democratic Support Officer on the number below.

Braille / Audio tape / Translation

If you require this please contact the Democratic Support Officer (production times will depend upon equipment/facility availability).

Social Media - The Council is committed to transparency and supports efforts to record and share reports of proceedings of public meetings through a variety of means, including social media. If you wish to film proceedings at a meeting please let us know as far in advance as you can so that it can be considered by the Chair of the meeting who has the responsibility to ensure that the key principles set out below are adhered to at the meeting.

Key Principles. In recording or reporting on proceedings you are asked:

- ✓ to respect the right of others to view and hear debates without interruption;
- ✓ to ensure that the sound on any device is fully muted ;
- ✓ where filming, to only focus on those people actively participating in the meeting;
- ✓ where filming, to (via the Chair of the meeting) ensure that those present are aware that they may be filmed and respect any requests to not be filmed

1. INTRODUCTIONS & APOLOGIES FOR ABSENCE

The Chair will introduce those present and make any necessary announcements.

The Chair and any other Councillors who are present will make any declarations as required by the Councillors' Code of Conduct.

2. ACTION LOG

The Action Log from the meeting held on 10 November 2016 is attached for information and discussion.

3. WATERSIDE REGENERATION PROJECT - UPDATE

The Senior Project Manager will provide an update on the project.

4. HIGHWAYS - UPDATE

Highways officers will be at the meeting to provide an update on highways issues in the Ward.

5. POLICE

Officers from Leicestershire Police will be at the meeting to provide an update on police issues in the Ward.

6. CITY WARDEN

The City Warden will give an update on issues in the Ward.

7. WARD COMMUNITY BUDGET

Councillors are reminded that under the Council's Code of Conduct they should declare any interest they may have in budget applications

An update will be given on the Ward Community Budget.

8. ANY OTHER BUSINESS

Help us to make improvements!

Please help us to improve Community Meetings by filling in an **Evaluation sheet** to let us know what you thought of the meeting.

Thank you.

FOSSE COMMUNITY MEETING

THURSDAY, 10 NOVEMBER 2016

Held at: Fosse Library, Mantle Road, Leicester LE3 5HG

ACTION LOG

Present:

Councillor Alfonso
Councillor Cassidy

<u>NO.</u>	<u>ITEM</u>	<u>ACTION REQUESTED AT MEETING</u>
10.	INTRODUCTIONS & APOLOGIES FOR ABSENCE	Councillor Cassidy took the Chair and welcomed everyone present.
11.	ACTION LOG	<p>The Action Log of the previous meeting held on 21 July 2016 was confirmed as a correct record.</p> <p>The Chair advised that an update would be given on the Waterside Regeneration Project.</p>
(i)	WATERSIDE REGENERATION PROJECT	<p>David Beale (Senior Project Manager) provided an update on the Waterside Regeneration Project.</p> <p>David gave a presentation outlining the current situation of the project (PowerPoint slides attached) and advised that the making of a Compulsory Purchase Order to secure areas of land, that would allow the development of the project to progress, was expected in the very near future.</p> <p>In respect of Phase 1 of the project it was noted that 5,500 sq. m. of new office space had been secured which could provide around 400 jobs, with supporting housing, retail and leisure development.</p> <p>In terms of land ownership, it was confirmed that approximately 75% of the proposed redevelopment area was now owned by the City Council and the reasons for continued Compulsory Purchase Order opportunities were explained, principally to allow for suitable regeneration and an appropriate mix of uses.</p> <p>The proposed housing element of the regeneration project was highlighted, it being noted that a mix of houses, apartments and affordable units would be</p>

provided. A total of 335 new homes were to be created with an emphasis on good design, adequate space, and sustainability. The associated office and workspace proposals were also described.

It was further reported that the proposals would reunite the city with the waterways and opportunities for appropriate retail uses were noted, including waterside restaurants, bars and cafés. The proposals for the Soar Island area demonstrated potential for an innovative approach to improved access to the waterside and to improve connectivity between the redevelopment area and the city.

In concluding the presentation, David referred to the following expected timescales:

- November 2016 – Making of the Compulsory Purchase Order (CPO)
- December 2016 – Development Agreement signed
- Detailed Design and Consultation Period
- May 2017 – CPO Inquiry
- Autumn 2017 – Order confirmed and site obtained
- 2018 – site preparation works
- Mid 2018 onwards – construction of first homes and offices

David was thanked for his presentation.

In discussing the proposals, reference was made to the need to ensure that the new housing would be affordable for local people. The details of the Supplementary Planning Guidance Note which had been made available to developers were explained (available under the following link):

<https://www.leicester.gov.uk/media/180084/appendix-1-leicester-waterside-spd.pdf>

It was noted that a minimum of 15% affordable homes would be provided as part of the redevelopment scheme. In this regard it was reported that initial negotiations with a prospective developer had suggested that an extra care facility could be provided.

In respect of traffic and transport issues, concern was expressed by some residents that the numbers of new homes would lead to a significant rise in congestion.

		<p>This argument was countered with an explanation that all homes would have dedicated parking areas and that there would be a significant reduction on vehicles, including heavy goods vehicles, following relocation of the businesses in the vicinity.</p> <p>Having regard to the additional family homes being proposed, it was confirmed that schools provision was being discussed with colleagues in the Council, as the Local Education Authority, and that a new primary school would be delivered to serve the Waterside area in due course.</p> <p>In conclusion it was noted that as part of the Outline Planning consent, suggestions on detailed design including the accessibility of homes had been issued and the Council's Access Officer had also been consulted. It was noted that details of the outline application was available under the following link:</p> <p>http://rcweb.leicester.gov.uk/planning/onlinequery/ResultSet.aspx?AppNo=20151587&Address=&UPRN=&Wrd=&AppType=&DateRecFrm=&DateRecTo=&DateDecfrm=&DateDecTo=&Proposal=&DecisionType</p> <p>The link listed 'other related planning documents' which included the detail design code.</p> <p>The update was noted.</p>
12.	HIGHWAYS ISSUES	<p>Simon White (Team Leader, Travel Planning and Development Coordinator) gave an update on highways issues in the Ward.</p> <p>a) Waterside:</p> <p>Arising from the discussion earlier in the meeting concerning the Waterside Regeneration Scheme, an explanation of the work of the Highways Division in respect of the planning process was given. It was noted that likely traffic implications of planning applications were considered in detail and advice was given to the Planning Division on likely impacts of proposed developments.</p> <p>It was confirmed that a fully built up scenario was predicted, involving the numbers of units and types of uses proposed for vacant plots, which led to improvements to the highway infrastructure, such as that recently seen in New Parks, Groby Road and Glenfield.</p>

With regard to the Waterside scheme specifically, it was also reported that alterations to the highway and improved signage to promote the use of the A6 corridor had been proposed to alleviate through-traffic on the A50 into the city.

b) 20mph Zones and Traffic Calming

Arising from the previous meeting it was noted that Brading Road had been identified for inclusion on the priority list for a 20mph zone, involving traffic calming measures.

It was reported that the Fosse Primary School 20mph Zone had been completed and had come into force on 21 October 2016. Issues arising from the installation of the cushions were reported and would be investigated.

It was expected that some works had been delayed due to vehicles obstructing the carriageway where speed cushions were to be installed.

c) Residents Parking

In response to questions it was confirmed that Residents Parking Schemes in the Tudor Road and Woodgate areas could be considered. It was noted that consultation relied on letters being distributed with plans of any proposals for residents to comment. Details would also be included on the 'consultation hub' of the Council's website.

It was confirmed that the Council's literature included advice on receiving information in different languages.

d) Enforcement

The issues concerning residents parking schemes and wider enforcement were discussed, and it was noted that the Enforcement Team issued Fixed Penalty Notices. In respect of the fees paid for parking permits it was clarified that the fee was set an affordable level to cover administration costs and that the Council did not operate schemes to achieve a profit.

It was also reported that in some areas, permits were restricted to one per household.

		<p>e) Aldi</p> <p>Meetings had been held with the Managers of the Aldi Store, Woodgate, to improve the situation and signage concerning illegal right turns from the premises.</p> <p>f) Dropped Kerbs</p> <p>It was reported that some dropped kerb locations had become raised and dangerous to wheelchair users, together with poor road surfacing. Vernon Street was given as an example of where the road surface had become eroded. It was also noted that some sections of the towpath adjacent to the canal had become dangerous.</p> <p>Officers agreed to investigate the problems reported.</p>
13.	POLICE ISSUES UPDATE	<p>Officers from Leicestershire Police were present to provide an update on police issues in the Ward.</p> <p>PC Alex Baxter and PCSO Jake Dudman referred to the following key issues:</p> <ul style="list-style-type: none"> • Rally Park – Motorbikes <p>It was noted that the problems concerning youngsters riding motorbikes in through the Rally Park and the wider vicinity had reduced since recent introduction of a youth project in the area.</p> <ul style="list-style-type: none"> • Tudor Gardens <p>In respect of previous reports of anti-social behaviour at Tudor Gardens, it was reported that the installation of a CCTV camera had been a significant deterrent. A recent initiative to close some gates had also reduced problems. The multi-agency approach to reduce problems was continuing.</p> <ul style="list-style-type: none"> • Street Play <p>It was reported that neighbour complaints of noise and nuisance disturbance had recently been investigated in the Ward, due to an increase in numbers of children playing in the streets away from the Adventure Playground, parks and other open spaces.</p>

		<ul style="list-style-type: none"> • Woodgate Resource Centre – Bench Misuse of the public bench situated outside the Woodgate Resource Centre was reported, and details were noted by Officers. <p>The Chair thanked Alex and Jake for their report and update.</p>
14.	CITY WARDEN	<p>The Chair introduced Charlotte Williams-Glover (City Warden). It was noted that Charlotte had been a member of the Wardens’ Service for seven years, and had recently been allocated the Fosse ward as part of her duties. Charlotte gave an update on the following environmental and enforcement issues:</p> <ul style="list-style-type: none"> • Bins on Streets <p>A process had begun to reduce the numbers of bins being left on streets, it being noted that bins left out following collection caused an obstruction.</p> <p>In response to questions it as accepted that the refuse collection operatives often left the bins in an unorderly situation, and if more time was allowed for their duties, they may assist the situation in leaving bins appropriately placed back outside each property.</p> <ul style="list-style-type: none"> • Fly Tipping <p>It was confirmed that Community Protection Notices had been issued to reduce the number of fly tips as the principal offenders had been identified.</p> <ul style="list-style-type: none"> • Dog fouling <p>It was reported in response to questions that the City Warden’s powers had been reduced in respect of dog fouling. It was considered that enforcement in the Ward should be extended, rather than diminished and alternative methods of reducing the problems were discussed, including potential use of Community Protection Notices.</p> <ul style="list-style-type: none"> • Love Leicester app. <p>The use of the LoveLeicester mobile app was pronmoted to report problems.</p>

		The Chair thanked Charlotte for her report and update.
15.	WARD COMMUNITY BUDGET	<p>The Community Engagement Officer updated the meeting on the Ward Community Budget.</p> <p>a) Applications received: It was reported that 3 applications had been received since the previous meeting.</p> <p>2 applications had been supported:</p> <ul style="list-style-type: none"> • Parks Services • Community Safety Team <p>1 application had not been supported</p> <ul style="list-style-type: none"> • The Banks Care Home – Xmas Party <p>b) Remaining Budget: The Community Engagement Officer reported that £12,210 remained in the budget for the financial year.</p> <p>Applications were encouraged and it was noted that previous consideration of the fencing at Rally Park may be resurrected. Councillor Cassidy referred to the intervention of RoSPA during the previous discussions, which had led to the application being withdrawn.</p>
16.	WARD COMMUNITY BUDGET - EVALUATION UPDATE	<p>The Community Engagement Officer commented that feedback would be provided from previous recipients of Ward Community grant funding in respect of their events and activities.</p> <p>Louise Ravel (Community Safety Team) provided an update on the work undertaken at Tudor Gardens and further work undertaken and expected at Rally Park to increase security and the environment generally. The work involved the temporary installation of the mobile CCTV camera as previously reported, improved security fencing, and the clearance of the area and removal of shrubs by Parks Services.</p>
17.	CLOSE OF MEETING	The meeting closed at 8.00 pm.

Waterside Regeneration

Waterside Regeneration

D R A F T

New homes overlook the waterfront

Rally park improved with new childrens & young peoples play space, outdoor gym, trim trail and sport pitches

Soar Island: a new destination with a mix of uses and green space

Activity on the river including moorings for narrow boats

New & improved cycle & walking routes along the waterfront

Employment sites next to the restored Mill Race

A50: a focus for employment, community uses and a local centre. Street improvements include cycle lanes & tree planting

Crossroads improved to form a focal point connecting east & west

Waterfront public space with natural edge

Improved connection to the city centre

Friar's Mill is being restored as a business hub for small & medium enterprises

- Residential
- Mixed-use
- Employment

LEICESTER
WATERSIDE REGENERATION

ILLUSTRATIVE MASTERPLAN

1187/040 FIGURE 6.11

NOVEMBER 2014 Alan Baxter

Waterside Regeneration phase 1

Friars Mill

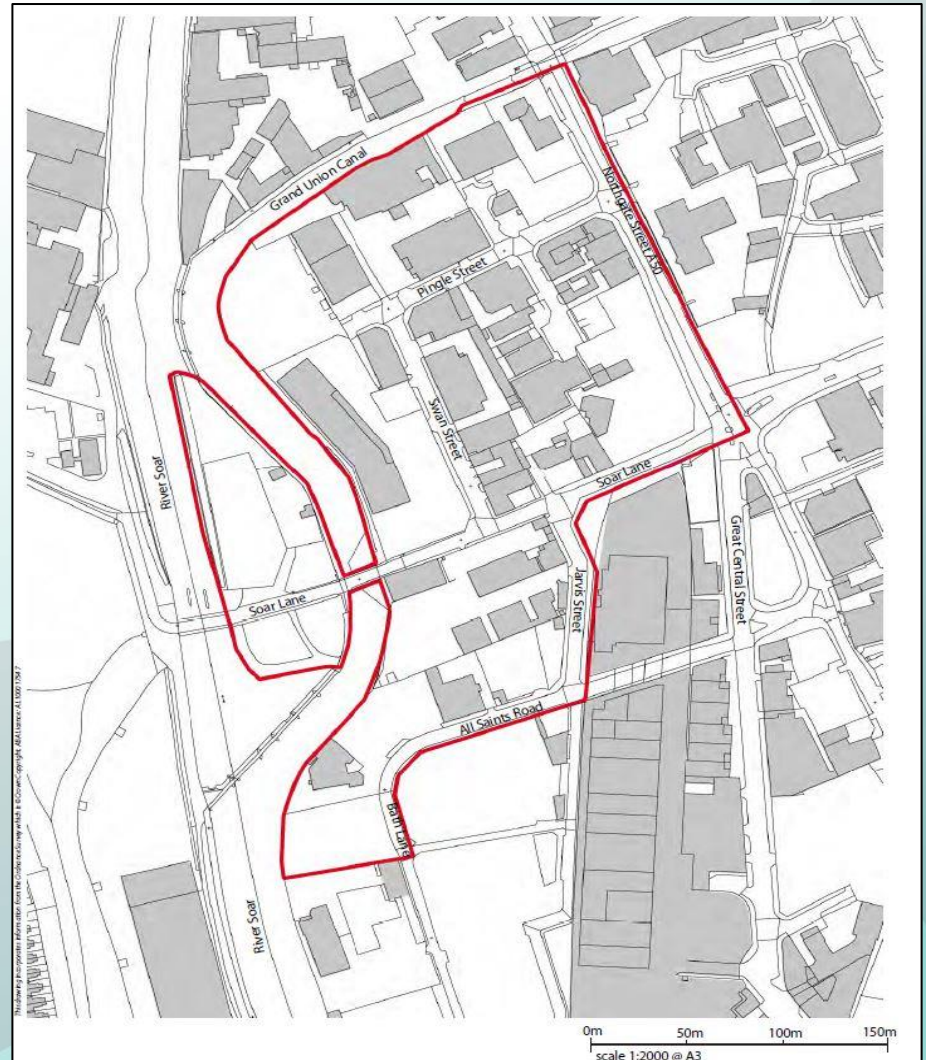

Phase 1 complete
Phase 2 on site

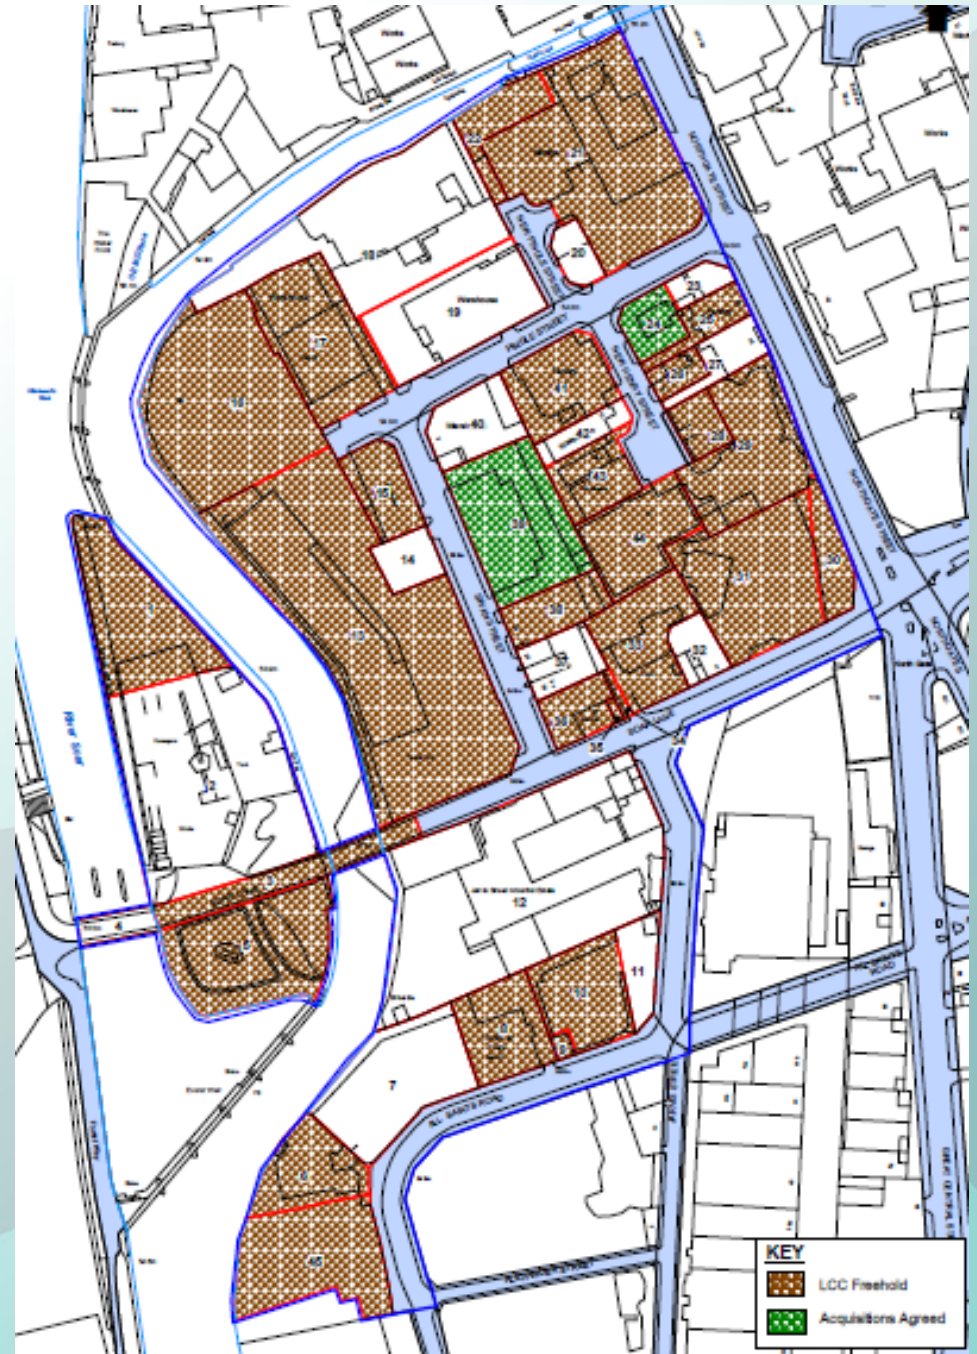

Leicester Waterside Phase 1 Area

- 17 acres
- over 300 new homes
- 5,500sqm of new offices (400-jobs)
- Supporting retail and leisure.

Land Ownership

- 75% now owned by LCC
- Assisting with relocations
- **CPO** is needed for comprehensive land assembly to enable:
 - Scale
 - Dealing with 'bad neighbours'
 - Better mix of uses
 - Practical challenges like drainage

Development Partner

What do we want to achieve?

Housing

- A mix of houses, apartments and affordable – 335 new homes to be created
- Emphasis on great design, space and sustainability

Office & Workspace

- 5,500sqm of new offices space
- Smaller scale offer than City Centre

Reunite Leicester with its Waterways

- Opportunities to enjoy the waterways
- Associated food/drink/retail uses
- Soar Island – potential for innovative approach
- Improved access to the Waterside & improved connectivity

Timescales

- November 2016 – Make CPO
- December 2016 – Development Agreement signed
- Detailed Design and Consultation
- May 2017 – CPO Inquiry
- Autumn 2017 – Order confirmed and site obtained
- 2018 – site preparation works
- Mid 2018 onwards – construction of first homes and offices
