YOUR community. YOUR voice.

Conduct Guidance

The behaviour of people at ward community meetings is important to the success of the meeting. Everyone attending today's meeting is kindly asked to comply with the following arrangements:

- Respect the views of others
- Keep to the Agenda
- One person speaks at a time
- Keep disruption to the minimum (mobile phones on silent) and no side discussions

If anyone does not comply with the guidance, they may be warned that they may be asked to leave the meeting.

Making Meetings Accessible to All

Access – Meetings are held in a variety of community venues. We will only hold meetings in venues where there is suitable access for wheelchairs. If you have any concerns about accessing a venue by wheelchair, please contact the Democratic Support Officer on the number given below. If you feel you may not be able to hear what's being discussed at a meeting please contact the Democratic Support Officer on the number below.

Braille / Audio tape / Translation

If you require this please contact the Democratic Support Officer (production times will depend upon equipment/facility availability).

Social Media - The Council is committed to transparency and supports efforts to record and share reports of proceedings of public meetings through a variety of means, including social media. If you wish to film proceedings at a meeting please let us know as far in advance as you can so that it can be considered by the Chair of the meeting who has the responsibility to ensure that the key principles set out below are adhered to at the meeting.

Key Principles. In recording or reporting on proceedings you are asked:

- ✓ to respect the right of others to view and hear debates without interruption;
- ✓ to ensure that the sound on any device is fully muted ;
- ✓ where filming, to only focus on those people actively participating in the meeting;
- ✓ where filming, to (via the Chair of the meeting) ensure that those present are aware that they may be filmed and respect any requests to not be filmed

1. INTRODUCTIONS AND DECLARATIONS OF INTEREST

Councillors will elect a Chair for the meeting.

The Chair will introduce those present and make any necessary announcements.

The Chair and any other Councillors who are present will make any declarations of interest in the business of the meeting as required by the Councillors' Code of Conduct.

AYLESTONE COMMUNITY MEETING

TUESDAY, 3 OCTOBER 2017

Held at: Old Aylestone Social Club, 1 Middleton Street, LE2 8LU

ACTION LOG

Present:
Councillor Clarke (Chair)

<u>NO.</u>	<u>ITEM</u>	<u>ACTION REQUESTED AT MEETING</u>
1.	INTRODUCTIONS AND DECLARATIONS OF INTEREST	Councillor Clarke in the Chair. Everyone welcomed and introductions given. No interests were declared.
2.	APOLOGIES FOR ABSENCE	Apologies for absence received from Alan and Anne Sturgess
3.	ACTION LOG OF LAST MEETING	Agreed as correct
4.	LOCAL PLAN CONSULTATION	All to note: <ul style="list-style-type: none">• The city has grown beyond its current administrative boundary, so residents in areas immediately adjoining the city also are being consulted;• The city currently has very little space available for development;• Further public consultation will be undertaken as the Plan is developed;• Government projections suggest that there will be an increase in the city's population of approximately 12% over the next 15 years;• Over the last five years, over 95% of new houses in the city have been built on brownfield sites;• There is not enough space in the city to provide all the additional housing needed. Local authorities have a duty to co-operate on planning matters, so the Council is working with district authorities in the county on a strategic growth plan that will include the provision of some of the required housing;

	<ul style="list-style-type: none"> • Consent already has been given to the development at St Mary's Meadows; • Approximately 220 of the 270 identified potential development sites are owned by the Council, the rest being privately owned; • Public space over half a hectare in size has been included in the analysis of potential development sites. It is known that at least some of it is likely to be unsuitable for development, but it all has been included to avoid appearing to make any pre-judgements, as required by the Planning Inspectorate. No decisions have been taken yet on which sites will be excluded from consideration, so comments on which ones are unsuitable are welcomed; • Existing policies require developers to provide social housing; • In view of the potential increased need for additional primary and secondary school places as a result of new housing developments, discussions are being held with Education officers and new sites for schools are being planned; • A planning need for 100 more allotments in the city has been identified, due to the number of developments being undertaken; • It is planned to undertake a capacity survey of shop premises in the city centre; • Concern was raised at the meeting that proposals for the Evesham Road link road in the draft Local Plan showed the new road going through the Aylestone Meadows Nature Reserve; • Concern was expressed that the redevelopment of the Everards site at Fosse Park would increase traffic flows through the Ward, with a consequent reduction in air quality. It was noted that the new Local Plan would include a suite of policies addressing air quality; and • Concern also was expressed about the increasing use of traffic calming in residential areas. Slowing the traffic could increase air pollution and the height of some speed humps or cushions could make it difficult for motorcyclists to put a foot on the ground when needed. <p>The Planning officers were thanked for their presentation and answering the questions raised in</p>

		<p>the meeting.</p> <p>All residents, businesses and organisations invited to submit written comments on the proposals in the draft Local Plan.</p>
5.	FRANKLYN FIELDS UPDATE	<p>All to note:</p> <ul style="list-style-type: none"> • The planning application by Morris Homes for the development of this site was being considered by Council officers. This included consulting other services, to ensure that policies are adhered to. Negotiation also was underway with the developer on a minor issue; • The application would be considered by the Council's Planning and Development Control Committee, but there was no time scale for this yet; • The progress of this development would be a standing item on this meeting's agenda; • The planning application did not include development of the allotments; • Access to the development site would be from Lutterworth Road; and • The Council had limited control over the inclusion of specific types of property in a planning application, (such as bungalows), or on shops opening as part of a development, but residents could submit comments on such matters during the consultation period.
6.	SANVEY LANE/ MARSDEN LANE UPDATE	<p>All to note:</p> <ul style="list-style-type: none"> • Yellow line parking restrictions had been introduced in Sanvey Lane in June 2017, but the blockage had moved further up the Lane. The yellow lines therefore needed to extend beyond the narrow part of the Lane; • The yellow lines had been put down in the narrowest part of the road, at the point where people had to walk in the road to get to the school, which was dangerous due to the speed at which traffic could now travel along that part of the Lane; • Surveys had confirmed that "rat-running" was a problem, although not a high level one. Consideration needed to be given to whether any measures introduced to address this would create

		<p>further problems, as they were likely to include some form of one-way traffic flow;</p> <ul style="list-style-type: none"> • The number of vans being parked in Marsden Lane by the Enterprise vehicle hire company was causing congestion there. For example, coaches going to Leicester City Football Club's training ground had to reverse down the road; and • When options for addressing these issues, residents would be consulted on them. this would include the option of keeping things as at present. <p>Residents invited to send pictures of the traffic and parking problems in Sanvey Lane / Marsden Lane to the Council's Highways officers.</p>
7.	POLICE ISSUES UPDATE	As no Police representatives were present, they would be asked to provide a written update for circulation to those on the mailing list.
8.	CITY WARDEN	As the City Warden was not, he would be asked to provide a written update for circulation to those on the mailing list. <i>This is attached at the end of the action log</i>
9.	WARD COMMUNITY BUDGET	<p>Grants approved as follows:</p> <ul style="list-style-type: none"> • £395 approved to Aylestone Gateway Club to hire a coach to take members and carers to a pantomime • £500 approved to Messy Church towards activities • £2,000 approved to Aylestone Meadows Appreciation Society to produce a mural interpreting Aylestone Meadows <p>All to note that £15,105 remained in the Ward Community Budget for the current financial year.</p> <p>Residents and local groups encouraged to apply for grant funding. All applications need to be made online, via the following link: https://forms.leicester.gov.uk/default.aspx/RenderForm/?F.Name=TPklyMBbJby</p>
10.	ANY OTHER BUSINESS	<p><u>Rubbish Bin outside St Andrews Church</u></p> <p>Ward Councillors to liaise with Council officers to see if the rubbish bin at the Old Church Street entrance to the church can be moved away from that entrance, to reduce the impact of smells from that bin in hot</p>

		<p>weather.</p> <p><u>Flood Risk Action Plan</u></p> <p>Exhibitions on aspects of the Flood Risk Action Plan currently being developed would be held at Aylestone Leisure Centre on 5 October and at Granby School between 3.30 pm and 7.30 pm on 24 October.</p> <p><u>Aylestone Meadows</u></p> <p>Residents asked to support Aylestone Meadows Appreciation Society's aim to get a ramp installed at the Meadows to improve access.</p> <p><u>Planning Enforcement</u></p> <p>Ward Councillors to raise the following with Planning Enforcement officers:</p> <ul style="list-style-type: none"> • Park and Ride facilities at New College should have been introduced as part of the planning permission for Leicester City Football Club's current stadium, but had not been provided; and • When planning permission was granted for the floodlights at the Grace Road cricket ground, it was for their intermittent use. However, the flood lights were now used on a regular basis.
11.	CLOSE OF MEETING	The meeting closed at 8.42 pm

Minute Item 8

UPDATE FROM CITY WARDEN – AYLESTONE WARD

Sorry we were not able to attend the last Ward meeting. If you are not already aware Noel is currently on leave, but will be back with us in December. In the meantime work in this area has been done by other Wardens covering his wards. Whilst Noel is on leave, please contact me about any issues you might have.

Ongoing investigations this month include a large fly-tip in the carpark area on Sanvey Lane / Marsden Lane. We have some evidence from this fly-tip we are following up on and the waste has been cleared. We are also looking at an untidy garden on Conaglen Road. A Community Protection warning has been issued and we are due to go back and check if any work has been done. We are also looking at an issue with cars for sale in the ward and the neighbouring ward of Saffron.

The service is currently in the process of taking on more Wardens to help deal with specific tasks such as checking on licensing issues and support projects across the wards such as bins left on the street or dog fouling patrols. We should have 4 new wardens by the end of this year and you should start seeing the benefits in Aylestone early next year.

We can provide a more detailed report in the new year of all the work done, but there are some ongoing numbers for Fixed Penalty Notices issued so far. From 1 January 2017 to date, the following Fixed Penalty Notices have been issued in Aylestone:

£80 Littering – 15
£50 Smoking in a Smoke free Premises – 6
£300 Duty Of Care Offences – 9
£400 Fly-tipping – 4
£100 Selling vehicles on the Public Highway – 2
£100 Dog Fouling – 5
