- 19 St Johns Road planning application had received more than five objections and would go to planning, as it was felt by resident the application did not fit with the conservation area;

- A planning application for a House of Multiple Occupation (HMO) at 44 Highfield Street was taken to Planning Committee at the request Councillor Chaplin. Residents had concerns over the number of HMOs in the area, and the need for family homes in the ward. - Homelessness, following two deaths in the ward the issue will continue to be raised;
- There is likely to be a review of the services

		<p>Group to articulate to planning that they were not against development in the area, but wanted family housing;</p> <ul style="list-style-type: none"> <li>• With regards to conservation areas, it was asked if it was time to push to change the Article 4 Direction to prevent the development of HMOs, as developers were not taking past history into account.</li> <li>• It was further queried that if students were not put in the purpose built flats, could private tenants use them. It was noted that purpose built student accommodation size was smaller in comparison to private tenant developments;</li> <li>• The revised planning application for St Albans Road was improved, but still not good, and residents should be vigilant of the proposed development. The University was due to organise a community liaison meeting, date to be confirmed;</li> <li>• The development on Conduit Street should be a landmark building due to its proximity to the train station;</li> <li>• Concerns were raised over what would happen when Stephen George left, as they owned a large plot of land. The Trees and Woodland Team had also recommended the removal of some trees, due to a subsidence claim from neighbouring properties.</p> <p>The CCTV was currently above the tree canopy. The police and ASB Unit would look to move the CCTV to allow direct views. Four benches in the park had been removed where street drinkers congregated. A consultation would take place with local residents to ask what they would like to see on the site, with the proposal that Section 106 monies be used. Longer term planning designs would be shared with residents, who were encouraged to respond to the consultation mail drop.</p> <p>An update on Prebend Gardens would be brought to the next Ward Meeting.</p> <p>Residents expressed concern that families not meeting the criteria to be considered homeless very often were missed for assistance and</p>	<p>CEO</p> <p>Police / ASB Team</p> <p>CEO / ASB Team</p>
