YOUR community. YOUR voice.

Conduct Guidance

The behaviour of people at ward community meetings is important to the success of the meeting. Everyone attending today's meeting is kindly asked to comply with the following arrangements:

- Respect the views of others
- Keep to the Agenda
- One person speaks at a time
- Keep disruption to the minimum (mobile phones on silent) and no side discussions

If anyone does not comply with the guidance, they may be warned that they may be asked to leave the meeting.

Making Meetings Accessible to All

Access – Meetings are held in a variety of community venues. We will only hold meetings in venues where there is suitable access for wheelchairs. If you have any concerns about accessing a venue by wheelchair, please contact the Democratic Support Officer on the number given below. If you feel you may not be able to hear what's being discussed at a meeting please contact the Democratic Support Officer on the number below.

Braille / Audio tape / Translation

If you require this please contact the Democratic Support Officer (production times will depend upon equipment/facility availability).

Social Media - The Council is committed to transparency and supports efforts to record and share reports of proceedings of public meetings through a variety of means, including social media. If you wish to film proceedings at a meeting please let us know as far in advance as you can so that it can be considered by the Chair of the meeting who has the responsibility to ensure that the key principles set out below are adhered to at the meeting.

Key Principles. In recording or reporting on proceedings you are asked:

- ✓ to respect the right of others to view and hear debates without interruption;
- ✓ to ensure that the sound on any device is fully muted ;
- ✓ where filming, to only focus on those people actively participating in the meeting;
- ✓ where filming, to (via the Chair of the meeting) ensure that those present are aware that they may be filmed and respect any requests to not be filmed

1. INTRODUCTIONS AND DECLARATIONS OF INTEREST

Councillors will elect a Chair for the meeting.

AYLESTONE COMMUNITY MEETING

WEDNESDAY, 26 SEPTEMBER 2018

Held at: St Edward the Confessor Catholic Church, 633 Aylestone Road,
Aylestone, Leicester, LE2 8TF

ACTION LOG

Present:
Councillor Porter (Chair)
Councillor Clarke

<u>NO.</u>	<u>ITEM</u>	<u>ACTION REQUESTED AT MEETING</u>
32.	INTRODUCTIONS AND DECLARATIONS OF INTEREST	<p>Councillor Porter, Chair for the meeting, welcomed everyone and led introductions.</p> <p>Councillor Porter declared an interest as part of the proposal for traffic calming measures, as he had supported residents to present a petition to the Council and campaigned with residents to ensure that any improvements at Sanvey Lane/ Marsden Lane were appropriate.</p> <p>Councillor Clarke declared that his daughter attended Montrose School.</p>
33.	APOLOGIES FOR ABSENCE	<p>Apologies for absence were received from Ann Sturgess (resident) and Noel Cazley (City Warden).</p>
34.	ACTION LOG OF LAST MEETING	<p>The Action Log from the meeting held on 11 April 2018 was circulated and confirmed as a correct record.</p> <p>Item 31 – A resident requested that the response provided by the City Transport Director following the meeting in regard to the potential increase in Aylestone Road traffic relating to Putney Rd developments, be more specific and actually specify the increased number of vehicles in figures.</p>
35.	MONTROSE 20MPH CONSULTATION UPDATE	<p>Martin Fletcher – City Highways Director, Ed Kocik – Traffic Operations Team Leader and Steve Warrington – Transport Development Officer were all present at the meeting contributed to the presentation and responses.</p> <p>All to note:</p> <ul style="list-style-type: none">Leicester City Council were currently rolling out the 20mph zone across Leicester City. The next phase was the Montrose area.

		<ul style="list-style-type: none"> • Consultation letters detailing proposals would be going out to residents via the post over the weekend. • Others could respond and submit their opinions online, parents of school children in the area would also receive the information. • Traffic calming was being proposed on those streets where the speed gets high – this was hoped to be a deterrent to rat running. • If the proposals were to go ahead, works would commence in March 2019. • Officers noted that the 20mph zones had been well received in several other areas. <p>Residents' concerns:</p> <ul style="list-style-type: none"> • It was requested that a 20mph sign be placed at the beginning/ end of Narrow Lane rather than half way down. • That people didn't notice the speed limit sign at the top of Marsden Lane. • Councillor Porter requested that in order to reduce the impact on air quality, whether chicanes could be used rather than speed humps. Officers responded that chicanes were considerably more expensive and whilst air pollution could be reduced locally the traffic would inevitably be moved elsewhere. • Several residents felt that signs which showed vehicle speed were quite effective. • Officers would await consultation responses.
36.	RAT RUNS UPDATE	<p>Martin Fletcher – City Highways Director presented details on the rat run situation in the ward.</p> <ul style="list-style-type: none"> • It was noted that a 20% response was received in regard to the Sanvey Lane/ Marsden Lane consultation. • The most preferred option from the consultation results and the option now being proposed was to install bollards. The result included 34 people being in favour, 6 against and 26 were in between (not in favour nor against). • Residents had recently received a letter in the past few days about the response and were given the opportunity to respond. • If this were to go ahead, Martin noted that it would be a trial and not permanent at this time.

		<ul style="list-style-type: none"> • It was noted that the location selected for the bollards to be placed, was based on space for turning circles and also the petition from 2015. • Officers were trying to find a solution to the problem but there was no easy option that would not affect someone. <p>Residents' concerns:</p> <ul style="list-style-type: none"> • Some residents would not be able to access Marsden Lane from the bottom with the proposed bollards and if going via Sanvey Lane there would be a backup when turning right onto Middleton Street. • Councillor Porter suggested a change of light sequencing on Middleton Street, however many residents disagreed due to the small amount of people that got through the light. • There were concerns that this could lead to possible accidents/ damage to vehicles delivering to the farm on Marsden Lane/ Sanvey Lane and also van/ trailers would find it hard to get by on Sanvey Lane. • Sanvey Lane double yellow lines. Martin noted that whatever work was carried out, the double yellow lines would be looked at. • Concerns were noted regarding vehicles giving way on Sanvey Lane. • It was felt that dealing with the bus Lane at the end of Sanvey Lane could prevent vehicles clogging up the road. The 24hr bus lane was noted as still an issue. • A resident re-requested the installation of bollards on a time switch. • A resident requested gating the road. <p>At the meeting residents were given an option to vote. The majority of residents present at the meeting were against the installation of bollards as proposed. Some liked the idea of a private gated area.</p> <p>Officers noted all the above comments and would be taking them into consideration.</p> <p>Thanks, were extended to Officers for their hard work on the consultation.</p>
37.	ENTERPRISE RENT-A-CAR UPDATE	<p>Martin Fletcher – City Highways Director noted that during the consultation majority of residents rejected the option of having residents parking near the area of Enterprise Rent-A-Car. From a Highways perspective there was not much more that the</p>

		<p>department could do.</p> <ul style="list-style-type: none"> • Martin provided residents with figures relating to traffic enforcement which had increased significantly in the past year. • Some residents felt the offences occurred in the night. Martin agreed to speak to the traffic warden team and request they attend the area during those evening hours. • Residents could also call the parking services number if they had concerns.
38.	POLICE ISSUES UPDATE	<p>PCSO Diane Stewart provided an update on issues the Police had been involved in since the last meeting.</p> <ul style="list-style-type: none"> • The issue noted at the last meeting with motorbikes going down to the Gilmorton Estates through Aylestone Meadows was reported to have decreased. Four or five motorbikes had been seized in the past two months. • Theft from motor vehicles and theft of vehicle number plates was reported to have increased slightly. Residents were encouraged to lock car doors and not leave valuables on show. • Further encouragement was given to residents to lock houses, sheds, windows and set light timer switches. • PCSO Stewart noted that residents could collect tamper proof number plate screws from Wigston Police station. • Some minor issues were noted in relation to Aylestone Hall gardens whereby young people had been sitting around, smoking and littering. • If residents had concerns they should ring 101. • A resident reported a previous issue and felt that no Officer had come to investigate. PCSO Stewart would email the Neighbourhood Investigation Team and request them to contact the resident.
39.	HEALTH WATCH LEICESTER	<p>Gillian Jillett - the Community Outreach Lead for Leicester City introduced the newly merged Healthwatch Leicester and Leicestershire.</p> <p>It was noted that Healthwatch Leicester and Leicestershire:</p> <ul style="list-style-type: none"> • Was an independent voice for the people of Leicester and Leicestershire. • Listened, represented people's views and

		<p>provided local information and signposting.</p> <ul style="list-style-type: none"> • Influenced health and social care locally to ensure local peoples voices were heard. • Visited General Practices (GP's) and care homes, suggesting improvements. A revisit was then made to see if the suggested changes were implemented. • Residents were encouraged to share their experiences, or if they had any issues or concerns relating to Health and Social Care Services across the City. • For further information, a leaflet has been attached at the end of this action log and has contact details if anyone wanted to volunteer.
40.	CITY WARDEN UPDATE	Noel Cazley – City Warden for the Ward was unable to attend the meeting but provided a written update which has been attached at the end of this action log.
41.	WARD COMMUNITY BUDGET	<p>Anita Clarke – Ward Community Engagement Officer (WCEO) gave an update on the Ward Community Budget.</p> <ul style="list-style-type: none"> • It was noted that 4 applications had been supported since the last meeting totalling £4,050. • 5 applications were outstanding and still to be decided. • The remaining balance in the budget was £14,150 which needed to be spent by the end of the financial year. <p>Some residents felt that areas of Aylestone had become quite degraded and requested if some of the budget could be spent on shutters and jet washing the Aylestone Road shops.</p> <p>An update of the old doctors' surgery was requested for the next meeting.</p>
42.	CLOSE OF MEETING	The meeting closed at 8.35pm.

What is Healthwatch Leicester and Leicestershire?

Healthwatch Leicester and Leicestershire is the independent consumer champion for health and social care services in Leicester and Leicestershire delivered by Engaging Communities an independent Community Interest Company.

Our job is to champion the interests of those using health and social care services across Leicester and Leicestershire, and give local people an opportunity to speak out about their concerns.

We will listen to your views, concerns and suggestions about services and use that information to help shape and improve them. We can provide information to help you make choices about the services you use.

We hold meetings and events, gather views through surveys and carry out Enter & View visits. We share your issues of concern, your views and experiences to those who run, plan and regulate local health and social care services.

Car dealers prosecuted for selling vehicles on the highway on Saffron Way

Following complaints from businesses on Saffron Way, having problems with parking for their staff and customers, we have successfully prosecuted three car dealers for leaving and advertising for sale, motor vehicles on the highway:

Auto Investments UK (AIUK) Limited – were ordered to pay the sum of £4550

Paul Greasley Cars Limited - were ordered to pay the sum of £2920

Mark Sharman Vehicle Solutions - were ordered to pay the sum of £1441.94

LOVE OUR APP

With our new app you'll be able to let us know about any environmental problems and also access a wealth of council information from your smartphone or tablet.

How does it work?

1.Download it - Our free app is available for Android, Windows, Blackberry and iPhones. Simply visit your app store and search for Love Leicester.

2.Spot it - Whether it's graffiti, litter, fly-tipping, dog fouling or another environmental problem, you can let us know about it.

3.Report it - Take a picture of the problem and upload it using the app. You can tag the location and include other details so we can fix the issue quickly.

4.Fix it - When you submit your report the details and picture will be sent to the right team who can fix the problem. They'll also be able to post a picture of what they've done.

As well as reporting problems, you can tell us what you like about Leicester. You can also find event listings, details of your nearest leisure centre, current consultations and easily get to our mobile friendly website for information on all council services.

The app is part of the Love Clean Streets network which is used by many councils. This means you can use it anywhere to report problems in other cities as well as Leicester, and the app will route your report to the right council.

It replaces the old One Clean Leicester app so if you already have this on your phone you'll need to **11** uninstall it and download our new Love Leicester app.
