

Leicester City Council

CORPROATE PLAN OF KEY DECISIONS

On or after 1 June 2013

What is the plan of key decisions?

Each month, the Council publishes a forward plan to show all the key decisions, which are currently know about, that are intended to be taken by the Council's Executive (City Mayor, Deputy City Mayor and Assistant City Mayors) over the next few months. Each plan runs from the first of each month.

What is a key decision?

A key decision is an executive decision which is likely:

- to result in the Council incurring expenditure which is, or the making of savings which are, significant having regard to the Council's budget for the service or function to which the decision relates; or
- to be significant in terms of its effects on communities living or working in two or more wards in the City.

In addition to the key decisions, the City Mayor and the Executive also take other non-key decisions. Details of these can be found at

www.cabinet.leicester.gov.uk/mgdelegateddecisions.aspx?bcr=1

What information is included in the plan?

The plan identifies how, when and who will take the decision and in addition who will be consulted before the decision is taken and who to contact for more information or to make representations.

The plan is published on the Council's website.

Prior to taking each executive decision, please note that the relevant decision notice and accompanying report will be published on the Council's website and can be found at www.cabinet.leicester.gov.uk/mgdelegateddecisions.aspx?bcr=1
