

CITY WARDEN UPDATE

COMMUNITY ENGAGEMENT

Issues have been raised regarding the public pathway through Longhurst Close, Lyle Close and leading to the school. Overgrowth from private properties is interfering with access and lowering the appeal of the area. An increase in littering and fly tipping is also causing a nuisance. Work was set to commence to address these issues, unfortunately, due to the ward changes, this will have to be delayed.

There was also a patch walk on Cravens Recreational ground to discuss potential ways to improve the location and use of the park.

BINS

A bin shelter has been constructed on Grosvenor Gate. This will hopefully stop the regular overspill of waste and help to keep the area clean and tidy. Visits continue at Danbury Place as bins keep appearing which leads to extra side waste.

NUISANCE PARKING

There have been various reports of nuisance parking in the Barkbythorpe Road area. However, although regular visits have been made, no offences have been witnessed..

GENERAL

Following complaints, patrols have been conducted in various locations to target dog-fouling and littering. To date, no FPNs have been issued on these patrols but they will continue when possible.

Overall, Troon was fairly quiet in terms of environmental issues over the Christmas period.

WARDEN

Due to a change within the City Warden Service, there will not be a designated Warden for Troon for the foreseeable future. However, if you do wish to report an issue, it will be allocated to a Warden to resolve.

LOVE OUR APP

With our new app you'll be able to let us know about any environmental problems and also access a wealth of council information from your smartphone or tablet.

How does it work?

1.Download it - Our free app is available for Android, Windows, Blackberry and iPhones. Simply visit your app store and search for Love Leicester.

2.Spot it - Whether it's graffiti, litter, fly-tipping, dog fouling or another environmental problem, you can let us know about it.

3.Report it - Take a picture of the problem and upload it using the app. You can tag the location and include other details so we can fix the issue quickly.

4.Fix it - When you submit your report the details and picture will be sent to the right team who can fix the problem. They'll also be able to post a picture of what they've done.

As well as reporting problems, you can tell us what you like about Leicester. You can also find event listings, details of your nearest leisure centre, current consultations and easily get to our mobile friendly website for information on all council services.

The app is part of the Love Clean Streets network which is used by many councils. This means you can use it anywhere to report problems in other cities as well as Leicester, and the app will route your report to the right council.

It replaces the old One Clean Leicester app so if you already have this on your phone you'll need to uninstall it and download our new Love Leicester app.
