**Subject:** off licence application at 103 uppingham road

Dear Sir/Madam

There is a application for off licence at 103 Uppingham Road Leicester LE5 3TB.

I would like to strongly oppose to this application as there is huge nuisance in the area already. there are three off licences nearby as it is.

People are drinking on the street, shouting , arguing and throwing tins on the street.

Not only it is hygiene issue but safety issue as well.

We cannot have more problems then what we already have in our vicinity .

I would really appreciate if you can look into this matter seriously.

Please keep us inform with the progress and the outcome of this application.

Many Thanks
