# **CITY WARDEN UPDATE**

## **FLY TIPPING**

Still ongoing and further warnings have been issued to various properties in response to fly-tips found throughout the ward. There is a camera currently installed on Nottingham Road in response to the constant fly-tipping at this location. Visits have also been conducted by CRASBU, Waste Management and City Wardens in an attempt to resolve the issue. Improvements have been seen but this work continues.

## **PERCIVAL STREET/HAMMERCLIFFE ROAD/ASFORDBY STREET/LYDFORD ROAD**

Domestic waste and white goods fly tipped on Percival Street are being investigated legal notices have been sent to the landlord of the property to clear the items. In addition there is an ongoing problem with side waste and bins being left out on the street so a project is planned soon to address this issue.

We are also currently investigating evidence recently found in fly-tips on Asfordby street and Hammercliffe road. A large fly-tip on Lydford road has been passed to our Environmental Crime team. If you have any information about this or any other fly-tips please let us know. Any information you provide is kept confidential.

## **PROJECTS**

We are currently running a city wide project visiting businesses and dealing with business waste issues. This is helping to reduce fly-tips and litter by ensuring business are disposing of their waste correctly and not accumulating or fly-tipping their waste and cleaning up after their customers.

The City Wardens along with Library services and students helped organise a clean up day doing litter picks and graffiti clean-ups around the city including litter picking around the St Barnabas Library and Sparrow park area of north Evington.

**LOVE WHERE YOU LIVE**

## **Love where you live**

As a Leicester City resident there are plenty of things you can do to help keep your neighbourhood clean and tidy:

- **Bring your bin in after collection day**
- **Book a Bulky Waste Collection if you need to get rid of large items**
- **Use a bin - don't drop litter**
- **Clear up after your dog**
- **Look after your home and garden**
- **Report problems like littering, fly tipping and graffiti**
- **Join in with local community clean-up events**

# LOVE OUR APP

With our new app you'll be able to let us know about any environmental problems and also access a wealth of council information from your smartphone or tablet.

## How does it work?

**1.Download it** - Our free app is available for Android, Windows, Blackberry and iPhones. Simply visit your app store and search for Love Leicester.

**2.Spot it** - Whether it's graffiti, litter, fly-tipping, dog fouling or another environmental problem, you can let us know about it.

**3.Report it** - Take a picture of the problem and upload it using the app. You can tag the location and include other details so we can fix the issue quickly.

**4.Fix it** - When you submit your report the details and picture will be sent to the right team who can fix the problem. They'll also be able to post a picture of what they've done.

As well as reporting problems, you can tell us what you like about Leicester. You can also find event listings, details of your nearest leisure centre, current consultations and easily get to our mobile friendly website for information on all council services.

The app is part of the Love Clean Streets network which is used by many councils. This means you can use it anywhere to report problems in other cities as well as Leicester, and the app will route your report to the right council.

It replaces the old One Clean Leicester app so if you already have this on your phone you'll need to uninstall it and download our new Love Leicester app.
