The Friends of New Walk have asked me to write expressing their wish to Object to the proposed Delivery extension (11.00 pm to 3.00 am daily) relating to the above revised Premises Licence.

It is considered that this will cause a **Public Nuisance (Noise Control)** and is totally inappropriate to the location of the Revolution and detrimental to the lives of Residents of New Walk, whose sleep would undoubtedly be affected by the noise nuisance.

They would also like to add that New Walk is a **traffic free promenade**.
