M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e) (please read guidance note 10)

As below in box b), c), d) and e)

b) The prevention of crime and disorder

1. We will actively co-operate with the local Police to ensure that we are made aware of particular problems which affect the area and which may potentially affect our store.
2. We will not countenance the use of supply of illegal drugs and our staff will inform the Police immediately of any such suspected activity on or in the vicinity of the store.
3. Our employment policies are designed to ensure we recruit professional and reputable staff.

c) Public safety

1. The premises comply with all requisite health and safety legislation.
2. We carry out regular health and safety risk assessments and are required to do so under the terms of our Franchise Agreement.
3. In the most unlikely event that a greater number of people congregate in the premises than is conducive to public safety, we will not hesitate to ask people to leave the store and we will always encourage them to take advantage of our home delivery service, which is the primary way in which we serve our customers.

d) The prevention of public nuisance

1. Our doors and windows will be kept closed at night, other than for access and egress, to prevent transmission of noise.
2. Our stores have very few customers who visit to buy our product to take away, but those who do visit will be asked to leave the premises quietly and with due consideration for our neighbours.
3. Music will not be played in the premises.
4. Our delivery drivers are instructed to enter and leave their vehicles quietly and considerately, not to leave engines running, to park considerately and at all times to have in mind our neighbours (particularly residential occupiers).
5. We would have no hesitation in banning people who visit the store and regularly leave the premises in a noisy fashion.
6. Our equipment is properly sound insulated and operated strictly in accordance with manufacturers' requirements, guide lines and tolerances.
7. All our air extraction systems comply with Building Regulations requirements and is designed to ensure that there is no escape of cooking smells to neighbouring premises.
8. We neither use nor supply glassware.

e) The protection of children from harm

1. Our store is not licensed for the sale of alcohol.
2. Because of the nature of the licence for which we are applying and the nature of our business generally, it is most unlikely that a child unaccompanied by an adult would visit our store during the hours for which we are licensed.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work check service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and /or documentation applicants will need in order should submit copy documents as set out above.
