33. RESPONSES TO PUBLIC QUESTIONS RAISED AT THE LAST MEETING

Question 13

Councillor Grant stated he had met with representatives from the Stoneygate shops and Officers concerning the request for Brown Signs to be erected to promote the area, and it had become apparent that the procedure for this was very complicated with a good deal of "red tape". Councillor Grant proposed, and Councillor Kitterick seconded, that Cabinet should be asked to consider developing a policy which was more sympathetic towards promoting local specialist shopping areas in this way.

RESOLVED:

that the Cabinet be requested to consider developing a policy which is more sympathetic towards promoting local specialist shopping areas by the erection of Brown Signs.
