59. GENERAL FUND REVENUE BUDGET 2020/21 TO 2021/22

The Director of Finance submitted a report setting out the City Mayor's proposed budget for 2020/21 to 2021/22.

The Deputy Director of Finance presented the report and outlined the following:

- Last year the Council approved a one-year budget.
- This was because the system of funding local government was to fundamentally change, these changes being; the fair funding review, business rates review, and the total amount of funding allocated to government departments.
- However, due to Brexit and latterly political turmoil resulting in the general election, these key issues had been deferred, probably to 2021/22.

- Therefore, the amount of funding that the Council would receive going into the future remains unknown.
- The Council was, therefore, again being presented with a one-year budget for 2020/21, which included a future 'outlook' based on optimistic and pessimistic views.
- Reference to points 6.4 to 6.7 was made, which outlined the impact on the City Developments and Neighbourhoods Department.

In response to Commission Members' questions, the following issues were discussed and noted:

- A Member of the Commission raised concerns that the impact of the budget would mean reductions in the arts and museums budget.
- At this time, it was difficult to say what the impact of Brexit would be specific to individual services.
- There would continue to be some initiatives to help get people healthier, the budget wouldn't take away in terms of budgetary services.
- It was aimed to still be able to achieve everything planned for, as a result of the budget.
- The Festivals and Events programmes would be maintained and there were no proposals to reduce any funding as a result of the budget.

AGREED:

1. That the Commission be assured that the Council budget had the capacity to deliver the festivals and events programme 2020/21 to the same levels as previous years and that there would be no proposals to reduce any of these allocations.
2. The Overview and Select Committee be advised that the Commission:-
 - a. regretted that more funding had not been made available by the Government;
 - b. noted concerns that the previously approved new budget reductions in 2020/21 might impact on service delivery; and
 - c. welcomed officers' assurances that services would nonetheless be maintained.
