7. Steps to Promote the Licensing Objectives

- 7.1 The steps the applicant proposes to take to promote the licensing objectives are set out in the operating schedule (see section M of Appendix B).
- 7.2 In arriving at its decision on the application, the Licensing Authority's primary consideration must be the promotion of the licensing objectives.

8. Regulated entertainment

- 8.1 The Live Music Act 2012 and the Legislative Reform (Entertainment Licensing) Order 2014 amended the Licensing Act 2003 in relation to the provision of regulated entertainment. Certain entertainment does not require a licence subject to audience limits, between 08.00 and 23.00 hours each day.
- 8.2 The above exemptions may affect the application under consideration because conditions may not be imposed at this stage to control live or recorded music that is unregulated. However, if problems do occur as a result of that entertainment then conditions may be imposed to control such music in the future after a formal review.

9. Representation

- 9.1 A representation was received on 9th July 2020 from a ward councillor. The representation relates to the prevention of public nuisance. Cllr Kitterick is concerned that the variation would change the nature of the venue to more of a nightclub and that the later terminal hours proposed would cause disruption to nearby residences. A copy of the representation is attached at Appendix C1.
- 9.2 A representation was received on 24th July 2020 from the Noise Team. The representation relates to the prevention of public nuisance. The Noise Team is concerned that it will be impossible to control the behaviour of customers once dispersed from the immediate

vicinity of the premises and that there is a large amount of residential premises close by. A copy of the representation is attached at Appendix C2.

10. Conditions

10.1 The conditions that are consistent with the operating schedule are attached at Appendix D.

10. Statutory Guidance

Section	Heading

5	Licensing Hours
9	Prevention of Public Nuisance
