113. HIGHWAYS DEVELOPMENT CONTROL POLICY AND GUIDANCE FOR LEICESTER AND LEICESTERSHIRE

Councillor Kitterick submitted a report that sought approval for the adoption of the document entitled 'Highways, Transportation and Development' which contained guidelines for development in relation to highways. The report sought to update the existing policy and provide for street design that encouraged walking and the use of public transport and discouraged Anti-Social behaviour and crime. It was noted that any new policy would only apply to new developments.

The relevant minute extract from the Overview and Scrutiny Management Board on 11 October had been circulated and their concerns were noted. In the light of these concerns, Councillor Kitterick proposed that consideration of the report be deferred to Cabinet on 12 November to allow the Regeneration and Transport Task Group to scrutinise the document and provide comments.

RESOLVED:

That the report be deferred for the reasons detailed above.
