- (b) Consider the views of the Overview Select Committee meeting held on 4 February 2021 and attached at Appendix 4.b;

The Council is recommended to:-

- (a) Approve the capital programme described in this report and summarised at Appendices Two to Four, subject to any amendments proposed by the City Mayor;
- (b) For those schemes designated immediate starts, delegate authority to the lead director to commit expenditure, subject to the normal requirements of contract procedure rules and finance procedure rules;
- (c) Delegate authority to the City Mayor to determine a plan of spending for each policy provision, and to commit expenditure up to the maximum available;
- (d) For the purposes of finance procedure rules:
 - Determine that service resources shall consist of service revenue contributions; HRA revenue contributions; and government grants/third party contributions ringfenced for specific purposes (but see below for LLEP investment programmes);
 - Designate the operational estate capital maintenance programme, highways maintenance programme and transport improvement programme as programme areas, within which the director can reallocate resources to meet operational requirements.
- (e) As in previous years, delegate to the City Mayor:
 - Authority to increase any scheme in the programme, or add a new scheme to the programme, subject to a maximum of £10m corporate resources in each instance;
 - Authority to reduce or delete any capital programme provision, subject to a maximum of 20% of scheme value for "immediate starts"; and
 - Authority to transfer any "policy provision" to the "immediate starts" category.

- (f) In respect of Government investment programmes for which the Council receives grant as the accountable body to the Leicester and Leicestershire Enterprise Partnership (LLEP):-
- Delegate to the City Mayor approval to accept Government offers of funding, and to add this to the capital programme;
 - Delegate to the Strategic Director, City Development and Neighbourhoods, in consultation with the Director of Finance, authority to allocate the funding to individual projects (in effect, implementing decisions of the LLEP);
 - Agree that City Council schemes funded by the programme can only commence after the City Mayor has given approval;
 - Delegate to the Director of Finance authority to reallocate programme funding between projects, if permissible, to ensure the programme as a whole can be delivered; and
 - Note that City Council contributions to projects will follow the normal rules described above (i.e. nothing in this paragraph (f) permits the City Mayor to supplement the programme with City Council resources outside of normal rules).
- (g) Delegate to directors, in consultation with the relevant deputy/assistant mayor, authority to incur expenditure in respect of policy provisions on design and other professional fees and preparatory studies, but not any other type of expenditure;
- (h) Approve the capital strategy at Appendix 5.
