Dear Licensing Officer

I have now received from you the full details of the hearing and the only letter of objection from [REDACTED] to the Application for the grant of a new Premises Licence for the above. I wish to respond with the attached comments listed overleaf in respect of the representation.

These comments will form part of the response to the concerns raised by [REDACTED] [REDACTED] and I request that this document be included in the bundle for the Committee to have sight of prior the Hearing.

Yours faithfully

Responses to [REDACTED] Objection

I believe that it is quite unreasonable [REDACTED] wish to limit the permitted hours for this application [REDACTED]. With more shift work and flexi-time, shopping habits have changed dramatically during the last 17 years and if they choose not to recognise this situation, that is their own personal choice.

The Operating Schedule in the application gives clear information as to how the treatment of possible underage sales are controlled.

New stronger initiatives have been introduced with regards to Proxy Selling to youngsters and I attach the Warning Notices and Staff Training Plans to be adopted by these premises.

The next door unit is a Chinese takeaway who trade until 2300 hours and it is noticed that people waiting for their order will come into the shop for extras to enjoy with their meal. [REDACTED]

As there hasn't been any incidents of anti-social behaviour to record , no comment would be relevant at this time, However, a zero policy for ASb will be promoted.
