Public Safety	<input type="checkbox"/>
Prevention of public nuisance	<input checked="" type="checkbox"/>
Protection of children from harm	<input checked="" type="checkbox"/>

Please summarise your concerns about this application:
<p>I write in my capacity as Deputy Licensing Manager for Leicestershire Police on the authority delegated to me by the Chief Constable.</p> <p>This is an application for a new premises licence for Johnny Custard at 183 Evington Road, Leicester.</p> <p>The premises itself is situated on the junction of Evington Road and Halsbury Road. It is nestled in amongst a variety of other businesses. There also appears to be residential dwelling flats above some of these properties. Halsbury Road, consists of mainly private residential houses.</p>

Due to all of the other venues that surround Johnny Custard, the area attracts visitors who are part of both the Day and Night Time Economy (NTE) periods. This includes those that are either going to or from the city centre for a night out.

Leicestershire police are concerned that the present application fails to promote the licensing objectives due to the fact that the applicant has not addressed any of the licensing conditions and how he will uphold them.

The applicant has not offered a single condition within his application.

The police accept that the premises will not be selling alcohol, however it will form part of a thriving NTE area that obviously has the associated problems such as Anti-Social Behaviour (ASB).

I have contacted the applicant and spoke to him and asked how he would support the licensing objectives. Through this dialog certain conditions were discussed (see below).

Our representation does not seek a refusal of the application, but instead seeks the addition of the following amendments and conditions in order to promote the licensing objectives:-

Prevention Of Crime And Disorder

1. CCTV will be installed and maintained. The footage will be kept for a minimum of 14 days.
2. CCTV footage will be made available to a relevant authority with 48 hours of a request being made.
3. An incident and refusal log / book will be kept on the premises and updated accordingly. This will also be made available to a relevant authority upon a request being made.

Prevention Of Public Nuisance

1. Clear and prominent signs will be placed both by the exits and in the outside seating area, requesting customers to respect the needs of the local community and keep their noise to a minimum.
2. Litter bins will also be placed in the outside seating area and regular checks will be made by staff to ensure this area is kept clean and litter free whilst the premises is open.
3. The outside seating area will close at 23:00 hours each night.

Protection Of Children From Harm

1. No children under the age of 18 will be permitted into the premises after 23:00 hours unless they are accompanied by an appropriate adult.

We are at present in consultation with the applicant and hope that an agreement can

be made in regards to the above proposed additional conditions. If these are accepted then this would negate the need for a hearing in respect to any representations made by the police.

Re: Johnny Custard, 183 Evington Road, Leicester.

I write in my capacity as the applicant in relation to the above matter.

Discussions have taken place with the Leicestershire Police in relation to the promotion of the Licensing Objectives.

I am aware that representations have been made and that the following conditions should be placed upon the new licence:

Prevention Of Crime And Disorder

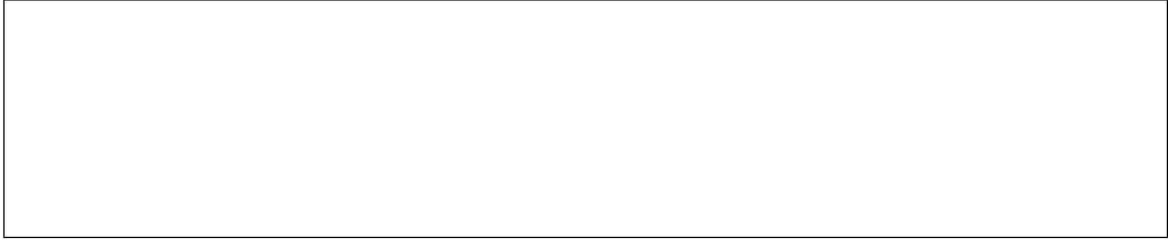

1. CCTV will be installed and maintained. The footage will be kept for a minimum of 14 days.
2. CCTV footage will be made available to a relevant authority with 48 hours of a request being made.
3. An incident and refusal log / book will be kept on the premises and updated accordingly. This will also be made available to a relevant authority upon a request being made.

Prevention Of Public Nuisance

1. Clear and prominent signs will be placed both by the exits and in the outside seating area, requesting customers to respect the needs of the local community and keep their noise to a minimum.
2. Litter bins will also be placed in the outside seating area and regular checks will be made by staff to ensure this area is kept clean and litter free whilst the premises is open.
3. The outside seating area will close at 23:00 hours each night.

Protection Of Children From Harm

1. No children under the age of 18 will be permitted into the premises after 23:00 hours unless they are accompanied by an appropriate adult.

I agree to these conditions and do not therefore consider that a hearing is necessary in respect of the representations that have been made by the Police.

Yours faithfully
