**NOTICE APPLICATION FOR NEW PREMISES LICENCE FOR  
BALJINDER SINGH AT 258-260 VICTORIA ROAD EAST, LEICESTER , LE5 0LF**

Dear Sir /Madam

We write in accordance to the notice submitted on the 12/10/2021 by Baljinder Singh.

We would like to provide our comments relating to this matter as we strongly object the New Premises of the sale of Alcohol by retail, for the consumption off the premises during Monday to Sunday 08:00 to 23:00.

We as business owner and the surrounding community of Leicester strongly detest the operating of the said license at 258-260 Victoria Road East, Leicester, LE5 0LF. The reason being that there is already a very competitive market on this street with TWO off licence shop in close proximity. This shop opening will further decline our hard work and income for our family drastically. We have also experienced unprecedented change due to covid-19.

With regards to the issue of public nuisance, the crime rate in the area as of last few months consists mostly of violence, criminal damage and ant-social behaviour. We believe by having a third alcohol licence on this street will have profound increase of the said crimes and will causes severe disturbance and disorder to our neighbours and local customers who reside close by.

We greatly appreciate your time to listen to our plea on why we oppose this alcohol licence and hope you take the best decision with regards to our business and our surrounding community.

your sincerely

**Ref: NOTICE OF APPLICATION FOR A NEW PREMISES LICENCE FOR  
BALJINDER SINGH AT 258-260 VICTORIA ROAD EAST, LEICESTER, LE5 0LF.**

Dear Sir/Madam

We the Business of Victoria Road East would like express our strong objection for the New Premises Licence Application submitted by BALJINDER SINGH in relation to 258-260 Victoria Road East, Leicester, LE5 0LF.

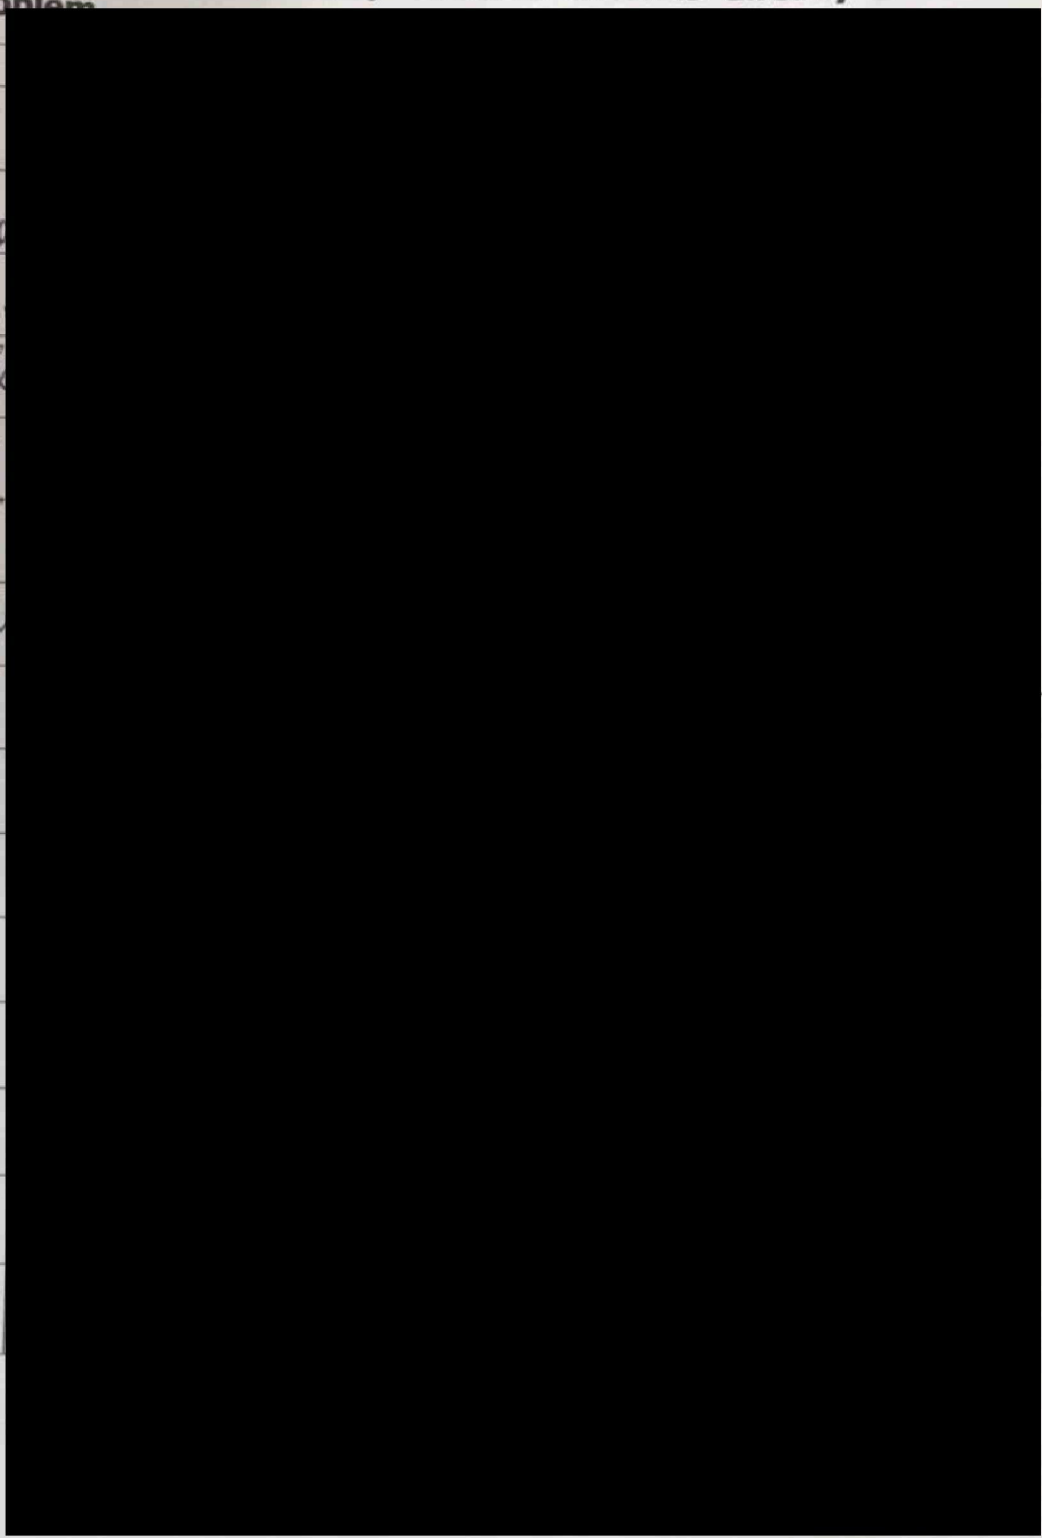

As pillars of the local community we believe that having an another Off Licence to our parade of diverse business will negatively impact our local community. As a business owner we worked hard to ensure that our service adequately serves the local area and our range of stores already includes two Off Licence. We feel that an additional Off Licence will significantly contribute to Anti-Social Behaviour and Petty Crime to the area.

We have voiced our concerns to our local councillor- Diane Cank, Who supports our view and understands our concerns. We hope you will understand our apprehensions and take them into account before your make your final decision.
