To,
Whom it may concern,

RE: 85 Hinckley Road, Leicester LE3 0TD

I am writing to register my objection to the application for the above premises alcohol licence.

The basis for this opposition is that granting a alcohol licence for this premises will not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behaviour.

Enabling the premises to sell alcohol would be totally detrimental to its aims and objectives.

There are 4 other shops which already sells alcohol for consumption off the premises till 10:00pm, seven days a week.

Granting a licence would provide a further source of alcohol within a such short distance and radius from Cumulative Impact Zone. This area has already reached problem levels for the local police.

The local residents in the area already suffers and having to deal with noise nuisance and antisocial behaviour at all hours of the day and night. They have endured this inconvenience for a long time. It is totally unacceptable to expect them to continue to do so.

In view of the above, I would strongly urge the Licensing Authority to refuse the application.

Should you wish to contact myself regarding this matter then please kindly contact me on my mobile number and email address below.

Thanking you in advance for your consideration.

Kind regards & your faithfully,
