Extent of scheme finishes here

Relocate existing Zebra crossing to the west and provide new cycle crossing

Detail around existing BT cabinet to be provided

The existing footway is 2.5m, existing verge to be widened for 0.5m to accommodate a 3m wide shared use.

Shared use footway/cycleway to be widened to 3m width. Existing kerbline is to be realigned.

Extent of scheme finishes here

Existing advisory cycle lane road markings are to be removed

It is anticipated that either cycleway demarcation blocks from Marshalls or raised white lines to TSKOD could be provided to form the separated footway/cycleway. The decision is to be made by LCC based on affordability
