

Subject: Objection over New Premise License for JBR Events Limited

I am writing this on behalf of 

We would like to raise our objections to the above event happening at the end of June at Abbey Park Grounds. We have some serious concerns as this event might be dangerous to our premise.

We work on Fridays regularly and Saturdays for a few hours as well. Often, when an event happens nearby, the visitors use our car parks without authorization and they even park on double yellow lines. It has happened in the past. I can provide photographs as evidence. We had to load our goods in the lorry and the lorry could not get a place to park. Due to the nature of this event there will be a lot of littering that can be left on the grounds of our premise and since we are a Bakery and deals with food, it could affect hygiene part of our industry.

There is also a fear of robbery and other dangers.

I hope this is understandable and you can change the premise for your event above.
