## Fly-Tipping

Fly Tipping is a consistent issue in the area. I am currently carrying out investigations in to this fly tip on Heard Walk. Evidence was obtained so further action will be taken.

## Untidy Gardens

I have had several reports of untidy/overgrown gardens. This front garden on Portmore Close is currently under a notice to clear the waste and cut back the overgrowth.

## Vehicles for sale/repairs

I have been monitoring Stokes Drive, Benskins Oval & Calder Road after receiving reports of cars sales and repairs being carried out on the public highway. To date I have seen no activity of this but please if you do witness this taking place you can report to us along with a witness statement and any footage that you have of this occurring and this can be looked in to further.
