Application No. (if known)	152692

Please tick one or more of the licensing objectives that your representation relates to:	
Prevention of crime and disorder	
Public Safety	
Prevention of public nuisance	yes
Protection of children from harm	

Please summarise your concerns about this application:
<p>Licensing Act 2003 – Application for Premises Licence Application Ref: 152692 Prevention of Public Nuisance. RE: Nelson Mandela Park Y2K, Nelson Mandela Park Leicester</p>

Nelson Mandela Park, is situated in a mixed use area of the city with the Welford Road running along the west side of the park and Tigers Way to the south and west of the park. The park also has a number of residential properties to the north on Lancaster Road and the Leicester Royal Hospital across Welford Road to the west.

The Nelson Mandela Park has had a number of events in the past and while most have been well run we have received complaints about the music from some events.

I believe that, if not correctly managed the event has the potential to cause a nuisance to the local residents and potentially the hospital.

Requested conditions

Leicester City Council have developed a list of standard conditions that are used for events. The conditions listed below are requested in terms of the licensing objective of the prevention of public nuisance:

14. A comprehensive noise risk assessment must be completed in consultation with the noise pollution team of the local authority. The authority must be satisfied with this assessment and that it will be adhered to in full.

15. The Noise Management Plan, within a prescribed timeframe and manner stipulated by the Leicester City Council Noise and Pollution Team, will be made available to relevant agencies, partner organisations and relevant person/s within community organisations for comment. Any comments may inform the noise management plan including adapting or changing any necessary elements in a proportionate manner based on the event plan each year. This will be arbitrated through the Leicester City Council Noise and Pollution Team.

16. The licence holder will take all reasonable steps in order to reduce the chances of any event causing a public nuisance.

I have contacted the applicant regarding these conditions and that if they are acceptable, I have requested that they contact you in writing regarding this to confirm their agreement.

Chris White
Pollution Control Officer
Noise and Pollution Control Team
