Application No. (If known):

Please tick one or more of the licensing objectives that your representation relates to: Prevention of Public Nuisance

Please summarise your concerns about this application: Barkby Road is a short mostly residential street! There are 9 shops within approximately 300 metres and 3 of the shops are already off license's and there is also a pub.

Please give further details of WHY you believe this application will have an adverse effect on the licensing objectives : There are people drinking outside the shops every day until 10ish already, this doesn't need to be encouraged anymore especially as there are children living in close proximity. Another store opening earlier than 8am and later than 10pm will not be beneficial to any resident.

Are there any changes that could be made to the application that would reduce or remove your concerns?: No
