**The meeting closed at 7.15pm**

## **Appendix 1 - Housing Update**

### **Anti-social behaviour**

Since May 2023 the role of dealing with anti-social behaviour has now been taken on by the Community Safety Team (CST) lead by Caroline Green.

Housing Officers will no longer deal with any anti-social behaviour case work, they will refer cases on to the CST. All cases held by the Housing Officers were passed over in August 2023.

### **Staffing**

Due to the Community Safety Team taken anti-social behaviour, the Housing Officer Posts were reduced and the Beaumont Leys Housing Team have been reduced 3.5 we are currently working with 2.5 staff with 1 post short. Currently we are not seeing a lot of reduction in work loads though.

### **Cleaning on Oronsay Road**

Site visit on Oronsay have been completed due to complaints from Councillor Orton and residents living in the area. A site visit was carried out which included the cleaning supervisor. The cleanliness of the estate and Sheltered Housing is being monitored weekly by Neighbourhood Housing Officer, Assistants and Sheltered Housing Officer.

### **Environmental Projects**

Over the next month Housing Officers will start to look at ideas for projects for 2024/25. There are some projects that, although submitted last year, had to be put on hold due to the reduction in funding for the Environmental Budget. These will be submitted again this year but we are always looking for new ideas that benefit the tenants in the area.

Projects completed for this year are:

Portmore close – Removal of bushes and clear the area – which has now been completed  
Butterwick/Grassington – Bin Project where the bins are to be re-sited due to fire regulations - funds have been approved and we are awaiting a start date.
