Application No. (If known):

Please tick one or more of the licensing objectives that your representation relates to:

Prevention of Public Nuisance

Please summarise your concerns about this application: I am the Acting Chair of the Queens Building Tenants Association (QBTA), and our objection are as follows:

1. The hours of operation should have closing times of 11pm Mon through Thu and midnight on Fri and Sat.

2. As this is primarily a residential building, there should be no music events outside in Orton Square, at any time of day. Orton Square acts to trap sound, accentuating the noise problem.

Please give further details of WHY you believe this application will have an adverse effect on the licensing objectives : Whilst we as an association welcome the commercial proposition, the extra noise and disruption having this music venue here will seriously affect the quality of life of the residents. We are already affected by events at the neighbouring Athena venue.

Are there any changes that could be made to the application that would reduce or remove your concerns?: Yes

Please explain what changes you think would help: Reasonable opening hours, no outside music.

If appropriate, would you be willing to take part in mediation to try to reach an agreed outcome?: Yes
