Figures 01 June 2024

Numbers over the Last Year

- Current Figures at 01/06/2024: are children from abroad arriving unaccompanied 38 & Care Leavers 64
- Figures will increase over the summer months as more small boats cross the channel
- N.B on 1 January 2024, there is a significant change in numbers from UASC to Care Leavers as many young people are given the birth date of 1 January when their actual DOB is not known
