3.5 Location Plan

4. Representations

- 4.1 A representation was received on 23 May 2024 from the Noise team. The representation relates to the prevention of public nuisance. The representee is concerned that late night noise from the premises and customers outside may increase and cause disturbances to nearby residents. They have been in contact with the applicant and have agreed conditions. A copy of the representation and agreement is attached at Appendix B1.
- 4.2 A representation was received on 29 May 2024 from the Police. The representation relates to the prevention of crime and disorder, the prevention of public nuisance, public safety and the protection of children from harm. The representee is concerned about the security provision of the premises given its proximity to the King Power Football Stadium and the application lacks specific details about how the venue will promote and uphold the licensing objectives. A copy of the representation is attached at Appendix B2.

5. Conditions

- 5.1 The conditions that are consistent with the application and the representation are attached at Appendix C.
- 5.2 The Live Music Act 2012 and the Legislative Reform (Entertainment Licensing) Order 2014 amended the Licensing Act 2003 in relation to the provision of regulated entertainment. Certain entertainment does not require a licence subject to audience limits, between 08.00 and 23.00 hours each day. These exemptions may affect the application under consideration because conditions may not be imposed at this stage to control live or recorded music that is unregulated. However, if problems do occur as a result of that entertainment then conditions may be imposed to control such music in the future after a formal review.
