"Safer routes for students" . This would be a marked route leading students away from residential areas after club nights towards the halls of residents. This would be directed by both the DMU security and the Riverside Policing team. We are looking at match funding from the DMU, Police and the Ward committee (12 banners) at a cost of £3468 ex VAT

The proposal is to part fund the cost of 12 signs to be erected on designated routes to and from the DMU and Halls of residence. This would be a joint project between the 2 community meetings, the Hinckley Road Police and De Montfort University. The Police offering officers time to support the running of the operation when night time events are on at the DMU along side DMU security staff and funding from the 2 ward meetings.

The signs will display the message "Safer routes for students" with joint logos

and will be designed to discourage excessive noise and anti-social behaviour away from residential areas along patrolled routes.. It is important that DMU are involved in this project as the proposal is strongly in response to the perception that a significant proportion of noise and anti-social behaviour emanates from students in the late evening. This perception has been prevalent in the community meetings and was reflected on a number of ward priority 'green forms'.
