Section 1: Budget Proposal

1. Name of Ward

Aylestone

2. Title of proposal

Addressing public requests for bins on Aylestone Meadows.

3. Name of group or person making the proposal

Leicester City Council, Parks Services, Riverside Team, Adrian Lane

4. Short description of proposal. Please include information on **how the money will be spent, who will benefit, when they will benefit, and how we will know when the proposal has been successful.**

It is important that your answer to this question is clear and detailed, because we will only pay the costs when we can see evidence that the outcomes you describe here have been achieved. You can provide further details in your supporting information if you want to.

Due to repeated public requests we wish to re-evaluate the use of rubbish bins on Aylestone Meadows. We wish to install 6 bins at key locations and monitor their success or not.

If after a year it can be seen that a difference in site cleanliness is achieved and no increase in costs to the existing service is created, then our current approach of not installing bins on the site will be re-evaluated.

With prior experience in their cost effectiveness we currently do not install bins and do not have a budget for doing so. However as local residents are questioning this we are willing to retry their use but require the funds to buy and install them to do so.

5. Which priority or priorities in the Ward Action Plan does your proposal support? (Add further rows or continue on a separate sheet if needed).
