It is important that your answer to this question is clear and detailed, because we will only pay the costs when we can see evidence that the outcomes you describe here have been achieved. You can provide further details in your supporting information if you want to.

LCC and the police have made significant reductions in burglary and theft from dwellings. Home security, no cold calling zones, information and awareness campaigns and detention/control of known burglars have all contributed.

Bicycle theft remains a problem. This disproportionately affects younger people.

A scheme to provide bike locks at minimal charge has been developed with FMB cycles on Saffron Lane. The police have negotiated a reduced price of £6 per lock (from the usual £13/lock) if a quantity are purchased. The aim is to advertise subsidised locks at the Fun Day for £1.00 each.

100 locks would cost £600. The aim is that £200 would be contributed by the Ward Committee, £200 from the JAG and £200 from Housing funds for the initial purchase. The locks would only be available to people who lived in the Eyres Monsell ward and would be limited to one per person.

FMB cycles have agreed to attend the event and to carry out some bike 'MOTs' free of charge on the day of the event.
